

The advertisement features a central text area surrounded by festive Easter-themed illustrations. At the top, there are baskets of eggs and a large green egg with leaf patterns. On the left and right sides, there are two brown rabbits, several colorful Easter eggs (orange with yellow flowers, pink with white zig-zags, yellow with white dots, and a basket of various colorful eggs), and butterflies. The background is a light-colored, textured surface with a pink and white checkered border.
