

THRIVAL INDY ACADEMY

**THE PURPOSE-DRIVEN
HIGH SCHOOL**

Here's What We've Been Up To!

We are excited to share with you the great things that are happening at Thrival Indy. As we finish up our first academic year with 9th graders, we want to take a moment to reflect on just how far we have come since we first began this journey in 2017.

Panorama Survey Data

By measuring student perceptions, the Panorama Student Survey gathers feedback from students about their classroom experience. Decades of research have shown that student perceptions strongly correlate with learning outcomes and can be an important improvement tool for school systems. Thrival Indy students completed their surveys during Remote Learning, and we are very proud of their responses!

Incoming and Potential Students

Out of an abundance of caution, we paused our in-person tours and open houses

for three weeks. Now we are giving all potential families the opportunity to come in and experience Thrival for themselves! You will be able to tour the building, observe classes, and meet with school leadership to see everything we have to offer! Schedule an appointment today by clicking on the link below.

For families who prefer a virtual tour, we will be releasing information very soon. In the meantime, [click here to schedule a chat with Principal Johnson](#).

The Thrival Indy Peace Project

It is our goal at Thrival Indy to be the change we wish to see in our community, city, state, and world. Thrival Indy is a different kind of school. It is clear that no matter what adversity we face, this school intends to and will be a beacon of hope and healing for the city of Indianapolis. We aim to be center peace and joy through the manner in which we employ, teach, learn, and collaborate.

Thrival Indy + House of Shamaiah Collaboration

A Partnership built to cultivate a safe & loving environment that encourage self-awareness & mindfulness. Changing the world one child at a time.

Our mission is to create a direct & tangible Mindfulness program that cultivates an open, safe environment for students of all ages. We are here to impact, empower & equip today's youth with real-life mindfulness skills that can be carried with them into adulthood. Through mindfulness, awareness of self, breath work & practical exercises, we aim to deeply reshape the way our students move through life.

Parent Pathways at Thrival Indy

We are deeply committed to positively impacting our entire community, as we fully believe that it takes a village to raise a child to reach her full potential. Parent Pathways at Thrival Indy is one way we are walking in our commitment to being a community hub. We will offer monthly sessions and workshops free of charge to the families of our enrolled students. Be on the lookout for more information about the following: **Conscious Parenting Workshops; Positive Mindset Group Sessions; Parenting Through My Pain Group Sessions; English and Literacy Classes; Community Advocacy and Involvement Workshops.**

Awards and Recognitions

The entire Thrival staff has worked diligently this year in order to give our students the best possible opportunities for learning and growing, despite the current global and local circumstances. We are honored to have been received various awards and recognitions over the year.

Teachers of the Year

On Sunday, April 11, Teach Indy recognized a group of 20 excellent educators across center township. All applications underwent a review and selection process with team members from the Indianapolis Mayor's Office of Education Innovation (OEI), Indianapolis Public Schools (IPS), The Mind Trust, the 2022 College Football Playoff Host Committee, Teachers' Treasures, and JDA Worldwide.

Of the many nominations and applications submitted from across the various schools, two Thrival Indy teachers were awarded, which includes a certificate, professional development resources, and \$2,000!

Congratulations to Ms. West for being the 2021 Center Township Alumni Teacher of the Year (Crispus Attucks Graduate) and Ms. Miles for being the 2021 Center Township Humanities Teacher of the Year!

Brightbeam's 2021 List of Rising Women

For Women's History Month, Brightbeam's teams asked readers on social media to nominate the women who are changing education for the better, and reduced the nominees down to just 21 rising women for the #21in21 campaign. **Our very own Founding school Leader and Executive Director made the cut alongside some powerhouse women who are making a difference on the national level!** (Click the photo below to read more.)
