Learn through diversity.
Own your actions.
Be committed.
Advocate vigorously.
Leave your mark.

Our G.L.O.B.A.L. focus means that we are committed to growing through interactions with others as well as through our own missteps. We follow through with promises we have made to others and to ourselves. We use our voice and privilege to speak and stand for others, and we make sure our actions lead to positive impact in our community both locally and abroad.

2. If a report is made to a parent, Thrival Indy Academy requests and expects that parent to report bullying actions to a school administrator. All incidences of bullying which are reported to a faculty member, administrator or any other school employee will be recorded and investigated in a timely manner.
3. Faculty and/or an administrator will speak to all students involved.
4. Parents will be contacted as necessary.

Confidentiality of the incident and the consequences will be maintained as necessary and will be reported to others only on a need to know basis.

Conclusion

A safe community is one in which all members are respectful of each other. It is our expectation that students, parents, faculty, staff, and administration will consistently treat one another in a respectful manner.

Harassment Policy

Thrival Indy Academy's policy is to maintain a learning environment for students that is free from harassment on account of a student's race, religion, color, sex, national origin, disability, sexual orientation, or any other protected characteristic (hereinafter "discriminatory harassment"). Thrival Indy Academy prohibits any and all forms of such harassment.

For purposes of this policy, sexual harassment of a student consists of unwelcome and unsolicited sexual advances, requests for sexual favors, sexually motivated physical conduct, or other verbal or physical conduct or communication of a sexual nature when:

For purposes of this policy, other discriminatory harassment of a student is defined as verbal or physical conduct that denigrates or shows hostility or aversion toward a student because of his/her race, color, religion, national origin, sexual orientation, disability, or any other characteristic protected by law, when:

- The harassing conduct is sufficiently severe, persistent or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, or abusive educational environment; or
- Examples of conduct that may constitute discriminatory harassment include:

Nothing in this policy precludes the student or other individual from reporting the alleged harassment directly to the School Leader or Board of Directors.

Thrival Indy Academy has designated the Executive Director with the responsibility to investigate, prevent, and remedy harassment. She shall:

- Receive reports or complaints of discriminatory harassment;
- Oversee the investigative process;
- Ensure any investigation is conducted by a trained, impartial investigator who is able to apply procedural and substantive standards which are necessary and applicable to identify unlawful harassment, recommend appropriate discipline and remedies when harassment is found, and take other appropriate action to rectify the damaging effects of any prohibited conduct.
- Thrival Indy Academy will develop a method of discussing this policy with students and employees. Training on the requirements of non-discrimination and the appropriate responses to issues of harassment will be provided to all Thrival Indy Academy personnel on an annual basis, and at such other times as Thrival Indy Academy determines is necessary or appropriate.

Retaliation

Submission of a good faith complaint or allegation of discriminatory harassment will not affect the complainant's future grades, learning environment or opportunities, or employment, work environment, or work assignments. Retaliation is a serious violation of this policy and should be reported immediately. Thrival Indy Academy will discipline or take appropriate action against any student, teacher, administrator or other school personnel who retaliates against any person who reports an incident of alleged discriminatory harassment or against any person who assists or participates in an investigation or proceeding relating to such alleged harassment. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

of alcohol or drugs at school or while attending, participating in, or traveling to or from any school-related activity. Any student under the influence of, or in possession of, alcohol or drugs at school or on a school-related activity will face serious disciplinary consequences. Thrival Indy Academy reserves the right to take disciplinary action in the event that a student's use or possession of alcohol or drugs in a non-school-related activity or setting interferes with or affects the school community.

Students are considered to be under the jurisdiction of the school when on school property, the school bus, or while attending, participating in, or traveling to or from school-sponsored activities and field trips. Activities or events sponsored by or held at other schools will be treated as Thrival Indy Academy-sponsored events for the purposes of the Code of Conduct. Students who represent look-alike substances as illegal drugs are subject to suspension or expulsion.

If the school has reasonable suspicion that a student has contravened the school's substance abuse policy, school administrators may search that student and personal belongings. In the face of evidence of student drug or alcohol use, the school may require, as a condition of a student's continued enrollment, and at the parent's expense, a drug or alcohol assessment at a school-approved facility.

The school stands ready to assist and support students suffering from drug and/or alcohol abuse. However, the support of the school does not excuse students from the consequences of their actions, should they contravene the substance abuse policy of the school's Code of Conduct.

Searches

No student may possess any illegal substance, object, or contraband that constitutes a threat to the health, safety, or welfare of any person or persons on school property. To protect the safety and welfare of students and school personnel, Thrival Indy Academy has the right to perform unannounced searches and to confiscate contraband, and has the right to perform physical searches of students to determine whether they pose a danger to themselves and others. Authorized staff members may search a student's pockets, purse, backpack, gym bag, or other personal property; desks, or other school property; or student automobiles.

All items deemed to be illegal, illicit, disruptive, or a general nuisance to the educational process may be confiscated by staff. Storage, return, or destruction of such items shall be at the discretion of the Executive Director or her designated agent, subject to legal impoundment.
