AFGC FACILITY ACCESS & USE REQUIREMENTS

The safety of all users, this facility, and the environment is our top priority. Therefore, **EVERYONE** entering the AFGC property for any purpose must follow all posted AFGC rules.

EVERYONE ENTERING THE AFGC PROPERTY MUST SIGN IN AT THE CARETAKER'S CARPORT.

THE LAW REQUIRES THAT ALL (RIFLE, SHOTGUN & ARCHERY) RANGE USERS MUST SIGN IN.

ALL RIVER USERS ARE ALSO REQUIRED TO SIGN-IN

Failure to follow all posted AFGC rules may result in an immediate request for you to leave the AFGC facility.

ALL AFGC FACILITY USERS WILL AGREE TO THE FOLLOWING:

1. River Access Hours

- **Open daily from 7:00am until sunset or 8pm whichever comes first**
- **Parking for river access is by donation**

2. Range Access Hours

- **Open daily from 9am until sunset or 8pm whichever comes first**
- **Non-members range use fee 19 and older is $20.00 per person per day and youth 18 and younger is $10.00 per person per day. Non-members must be accompanied by a member. The maximum number of guests per member is two.**

3. Range Gate Access

- **All Members and their guests must sign-in. Gate Access is for members only.**
- **The combination code, key or fob (lock type may change) cannot be shared with any non-members. If caught sharing with any non-members, you may face consequences up to and including the revoking of your membership.**
- **The gate must be closed upon entering and exiting the property, unless otherwise posted.**
- **Each member is responsible for letting themselves in, members should not be holding the gate open for anyone else.**
- **All members must have their membership card on their person, you may be asked to show proof of membership and if you are unable to provide your card you may be asked to leave the property.**

4. Range Light Protocols

RED ON **-FIRING POINT IS ACTIVE**

-Casing and uncasing of firearms is ONLY permitted at the shooting bench at the designated firing line ENSURING muzzle is pointing downrange

-Firearms will ONLY be loaded at the permitted firing line ENSURING muzzle is pointing downrange

-Discharge is in progress

-NO ACCESS DOWNRANGE

GREEN ON - **FIRING POINT IS CLEAR.**

NOTE: When going downrange beyond 100 yards, you must take the GREEN Flag and place it in the pipe at the end of the 50-yard backstop when placing or removing targets beyond the 100-yard backstop. The last person coming back removes the flag and brings it back to the firing point area.

-Firearms will be unloaded

-Firearms must have action open and, in the rack or cased

-ACCESS IS PERMITTED DOWN RANGE

-No firearms to be touched, handled, adjusted, etc., under a green light under any circumstances

-No access beyond 100 yards without a high visibility vest worn

-DO NOT turn the light to green UNTIL ALL firearms are unloaded, action opened, cleared from firing line (shooting bench) and safely racked or cased

NO LIGHT ON **NO ACCESS DOWN RANGE**

-Clean firing point after use.
-Remove used targets from stands after use.
-Only range provided target stands and metal targets may be used. This ensures CFO rules and regulations are being followed
-Paper plates for targets are PROHIBITED.
-Human silhouette body targets are not acceptable

-Metal targets are not to be used on the Shotgun range. Shotgun slugs are not to be used on the Shotgun range.
-No dogs allowed on the Rifle or Shotgun Range.
-Please do not bring cardboard boxes empty or filled from home, use proper targets.

It is the responsibility of all range users to ensure that no wildlife is present on the range prior to, or during the discharge of any firearms.

NO HUNTING IS PERMITTED ON ALBERNI FISH & GAME CLUB PROPERTY

ALL SHOOTERS MUST:

-Ensure that there is no wildlife present on the range prior to the discharge of any firearm.
-Ensure if wildlife enters the range during shooting: **ALL SHOOTING MUST CEASE AND FIRING POINT MADE SAFE**.
-Ensure wildlife be chased off the range prior to resumption of shooting.

In the case of wildlife being struck or injured by any projectile:

1. **Shooting must cease immediately**
2. **Firing point must be made safe**
3. **Condition of animal must be assessed**
4. **Particulars are to be documented, including sequence of events and picture(s) taken if possible.**
5. **Contact must be made with the caretaker(s) immediately (if present) or a member of the AFGC executive immediately (if the caretaker is not present)**
6. **A Conservation Officer must be contacted immediately to determine the fate of the animal (if saving is an option)**
7. **If either the caretaker(s), AFGC Executive Member nor the Conservation Officer is immediately available, contact must be made with the RCMP**
8. **The animal is to be left in place until direction is given by a Conservation Officer, Caretaker, AFGC Executive Member or RCMP**
9. **A Conservation Officer can be contacted at 1-877-952-7277 (RAPP) toll free and you will get to talk to someone in Victoria, who will reply your message for you**
10. **Shooting may recommence once pertinent information has been documented, required contacts have been made and permission has been granted to proceed**

GENERAL SAFETY RULES

- **Hearing and eye protection is mandatory on the Shotgun and Rifle/Handgun ranges.**
- **All firearms to be pointed in a safe direction at all times**
- **On arrival, on a red light only uncase firearms at firing line on shooting bench muzzle pointing downrange. Same when leaving.**

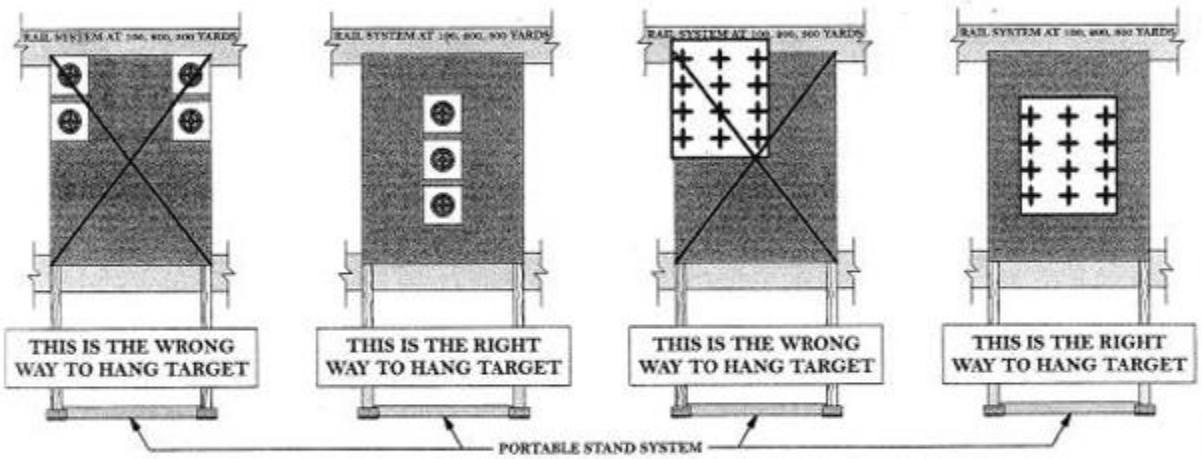

- **Metal stands are for .22 rim fire silhouettes ONLY.**
- **Explosive and flammable targets are prohibited.**
- **Magazines (clips) designed to contain center fire rifle cartridges and designed or manufactured for use in semi-automatic rifles are limited to a maximum of five (5) cartridges**
- **Alcohol is not permitted on an active shooting range**
- **The use of drones on AFGC property is not permitted due to the proximity to the airport.**
- **Maximum Rifle Caliber 338 Lepua Magnum, Maximum Pistol .40 Smith & Wesson**

HOUSEKEEPING RULES

- **Clean firing point after use**
- **Remove used paper targets from stands after use**
