Removal of bridle
while horse is in
shafts will result
in you not being
allowed to drive.

CDE Disclaimer

To be signed by every person on the show grounds, including judges, officials, volunteers, spectators, competitors or participants. Each person who rides with a driver on a carriage not only during the actual clinic / show / lessons but including any time from arrival at the clinic / show / lessons to departure. In addition, anytime you are riding your horse, or driving your horse, or leading your horse.

I understand that neither the Clay Station Horse Park or Starkey Family Trust and its officers, officials or organizing committee nor the property owners accept any responsibility for accidents, damage, injury or illness to the horses, owners, riders, drivers, grooms, passengers, attendants, spectators or any other persons or property in connection with this clinic / show / lessons. I hereby expressly agree for myself and my principals, representatives, employees and agents: 1) to be bound by the rules of the Clay Station Horse Park and local rules of this clinic / show / lessons; 2) that every horse, driver, attendant, groom and/or passenger and spectator is eligible as entered; 3) and to accept as final any decision of the clinic / show officials on any question arising under the clinic / show rules and any local rules of the clinic / show and agree to hold Clay Station Horse Park and Starkey Family Trust harmless from and against all claims including any injury or loss suffered during or in conjunction with the clinic / show or facility whether or not such claim, injury or loss resulted, either directly or indirectly, from negligent acts or omissions of the Clay Station Horse Park or Starkey Family Trust.

1. The horse may behave in ways that may result in injury, death or loss to persons on or around the equine.
2. The equine is unpredictable and may react to sound, sudden movement, unfamiliar objects, persons or other animals.
3. The equine may cause injury because of the surface and subsurface conditions on which the equine is being worked.
4. Any equine may cause injury by colliding with another equine, people or objects.
