## Virtual Pro-life Discussion On the Equal Rights Institute's Equipped for Life Modules

Facilitated by:

### Jan Lenze

Educational Outreach Coordinator for Plymouth Area Right to Life and certified teacher Jan Lenze leads virtual pro-life discussions every Thursday (through summer) on the Equal Rights Institute's Equipped for Life online training modules that will help you engage in persuasive pro-life discussions. Jan's lifelong commitment to the pro-life movement stems from a presentation given to her high school church youth group. This led to a particular passion for the critical role of clergy in the pro-life movement. Jan has counseled abortion-minded mothers, arranged for their placement in Shepherding Homes, and given pro-life presentations. She has managed petition drives in support of statewide pro-life change and has recently enjoyed projects with Plymouth Right to Life. Jan is the proud mother of six children and the wife of Carl, her accomplice in the creation of many pro-life initiatives.
