Sanctity of Life 2022 Event Second Annual Pro-life March & Memorial Service

With **Rev. Sam Watters**

Please join us on January 22, 2022 11:00 AM to commemorate the tragic Roe v. Wade decision which legalized abortion. We will have our second annual walk for SANCTITY OF LIFE at Glen Eden Memorial Park Cemetery Park which has two memorial sites to the unborn on its grounds. The first contains the remains of miscarried babies, including those from St. Mary's and Providence Hospitals both of which are in our affiliate area. We will have a mini pro-life march on the cemetery grounds. Preceding the march, Pastor Sam Watters will lead us in a service at the memorial for miscarried babies. Pastor Rennie Kaufmann and his daughter Esther will provide worship songs. Following the march Pastor Watters will lead a prayer at the memorial for the children lost to abortion. Those interested may later proceed to Livonia Planned Parenthood for a prayerful presence.
