

# Shepherding a Culture of Life

Thursday, September 23, 2021 (9:00-11:00 AM)

## Pastors' Pro-life Training

Compassionate Shepherding in a Disposable Culture  
(Free for Clergy and a Guest – Continental Breakfast Served)

### Mike Spencer

President of Project LifeVoice

Mike pastored for 23 years before founding Project LifeVoice. He travels extensively throughout the United States and beyond equipping pastors and students in churches, on high school and university campuses, and serving as the keynote at pro-life banquets and conferences. Mike is a much sought-after communicator who has a passion for equipping others to speak to the often emotional and divisive issue of abortion in ways that are both winsome and compelling. Mike will bring clarity to the pastor's role with respect to abortion by addressing crucial questions such as:

- Is the Bible silent on abortion, or does the Bible actually condone abortion?
- What if my church is divided over the subject of abortion?
- What are the primary biblical duties of the pastor in an abortion-supportive culture?

*"Mike is an outstanding pro-life apologist...His arguments for the pro-life position are excellent, and presented with the right degrees of objectivity, passion, and compassion." – Prof. Michael M Jordan, Hillsdale College, Hillsdale, Michigan*

*"Mike did an excellent job presenting a very difficult topic undergirded with biblical truth in a loving way to our students." – Dr. Adam Wright, President - Dallas Baptist University*

*"There is no better communicator that could deliver such truth, packaged with so much grace and empathy." – Pastor Miguel Knuckey, Victory Church Boca Raton, Florida*
