## Mary Lockwood & Unplanned (the movie)

Mary Lockwood is a post-abortive woman who shares her conversion story with others, in hopes of promoting a culture of life. Mary had multiple abortions and now speaks out about the pain and suffering that comes from being post-abortive. *"As a Catholic talk show host and pro-life activist, I highly recommend Mary Lockwood... Mary is a frequent guest on my radio program and her testimony takes an honest look at the lies told to women about abortion."* Teresa Tomeo (host of Ave Maria Radio's Catholic Connection on 990 am)
