GRADUATING SENIOR

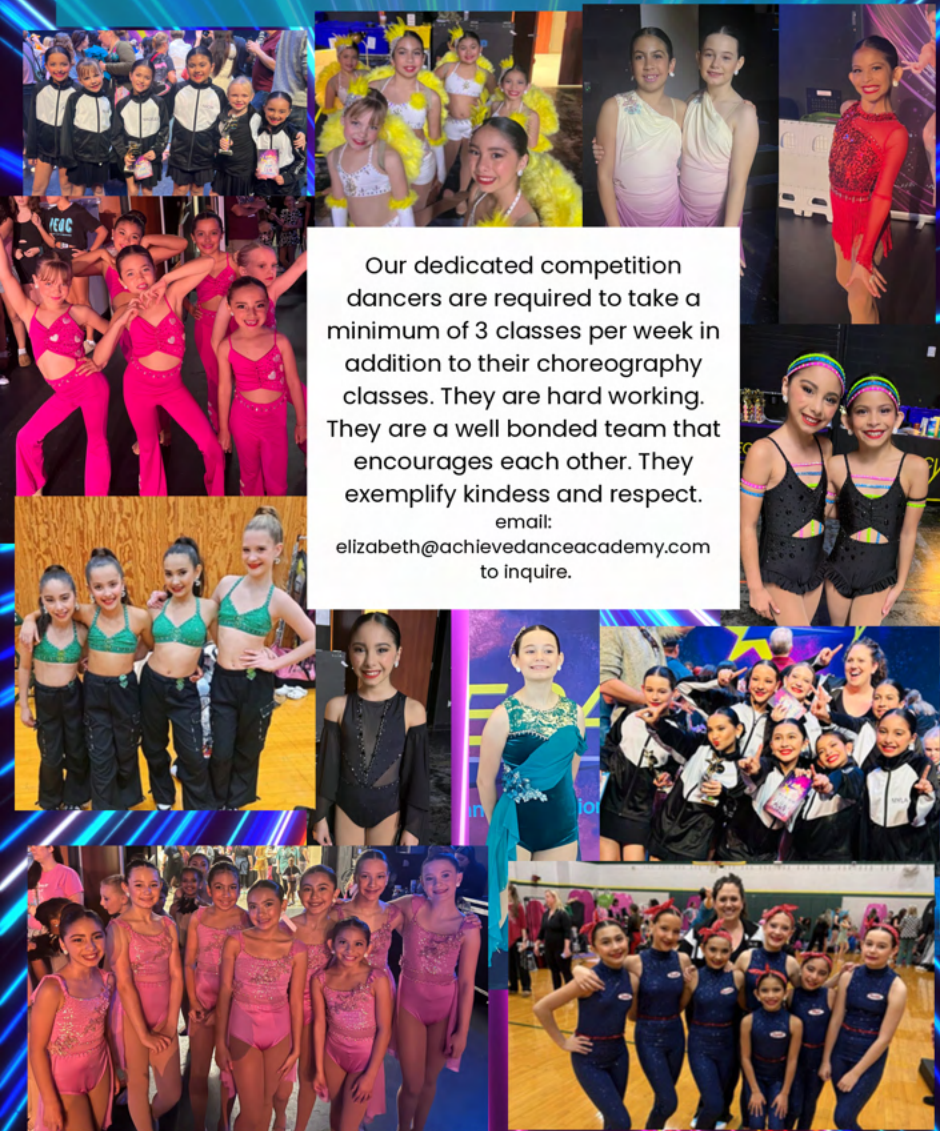

Megan Guinn

As parents, watching Megan take the stage on her final dance recital fills our hearts with pride and emotion. From the moment she first laced up her ballet shoes in first grade to the confident, accomplished dancer she is today, we have witnessed her growth, resilience, and passion. She has faced challenges head-on, overcoming injuries and setbacks with determination, never letting anything stand in the way of her love for dance. The countless hours of practice, the friendships she has built, and the joy she brings to every performance have all shaped her into the remarkable young woman she is. As she steps onto the stage one last time, we celebrate not just her achievements but the beautiful journey that has led her here. No matter where life takes her next, she will always have the heart of a dancer, and we couldn't be prouder.

COMPETITION TEAM

Our dedicated competition dancers are required to take a minimum of 3 classes per week in addition to their choreography classes. They are hard working. They are a well bonded team that encourages each other. They exemplify kindness and respect.
