I want to say thank you to the Stallcop family. Izabella and Vivienne were two of my 5 original students when I opened Achieve Dance Academy in 2021. Izabella has been on the competition team for two years and her sister Vivienne joined the mini-team this year. They have attended Daddy Daughter Dances with their dad, James. Their mom, Hollie, and big sister, Abbigale, were in our adult tap class last year. The entire family has been loyal and supportive of Achieve Dance Academy. Unfortunately, They are moving to Pennsylvania this summer and unable to continue dancing with us at Achieve. We wish you all the best and hope you continue dancing. Regardless of location, you will always be a part of Achieve Dance Academy!  
Love, Ms. Liz

## ANN ROMERO

My name is Ann Romero and I am a State Farm Agent in Spring! My office has been open for about 3 years now and is located on FM 2920 near Kuykendahl Rd. I am also one of the Ballet and Tap teachers at Achieve Dance Academy. I danced competitively for 10 years growing up, and have been involved with the Achieve family for almost 3 years. I love getting to know the dancers and helping them grow their love for dance. I hope you enjoy the amazing recital that they have worked so hard on! Please feel free to reach out with anything dance or insurance related. I'd love to meet you!
