

Nassau Swim Club Party Contract

Any Nassau Swim Club member wanting to host a pool party must schedule the party two weeks in advance with a Amanda McNamee to prevent conflicts with any other pool function or activities (e.g., swim meets, splash parties, etc.) which always takes precedence.

Please email Amanda at nassaufundraisingactivities@gmail.com or call/text 610-209-3353

Nassau Swim Club will schedule pool parties on a first-come, first-served basis at the discretion of the pool management team and the availability of open dates. Party availability will be Monday-Thursday up to two parties per day and Friday-Sunday only one party allowed per day.

Parties are limited to 30 guests (cost is \$5 per non member guest) and the list will have to be received 1 week in advance with all non member guests listed. If these guests are not on the list they will not be allowed admittance to Nassau Swim Club. If changes need to be made please contact the manager on duty to discuss any issues.

In case of rain, the management team will attempt to reschedule the party if another date is readily available. Rain dates cannot be pre-scheduled. Pre-scheduling would not be fair to others who might be trying to schedule.

The member host of the party must inform their guests of the swim club's rules and regulations and assume all responsibility for their guests during their visit to the swim club.

I understand all my responsibilities and swim club requirements as stated in this form.
