**Subject:** PENSAR WINTER EXERCISE

Hey Lloyd,

Sorry I missed the meeting (it's always the same night as the PENSAR board meeting). We talked about it at the board meeting last night and we are planning to do another winter scenario in December. We don't

have exact dates yet, but it will be very similar to last year. Sno-trackers are definitely welcome again! I will send out the details when I have them. Thanks for representing us!

Steve

Good morning Steve – this years first meeting of the Sno-Trackers club was last night. One of the items under discussion as we were planning events for the upcoming season was wondering if PENSAR is planning on doing another winter exercise this year?
