

Penticton Sno-Trackers Club

By Simone Wyles, Director at Large

Winter has made a presence on the mountain and we couldn't be more excited! As we anxiously await for the snow to accumulate, the Penticton Sno-Tracker Club gathered to complete necessary tasks before the weather settled in.

A Cabin Day Clean Up was held in October and it kicked off the beginning of our season. The club focused on a variety of tasks and volunteers were allocated to signage installation and parking lot clean up.

Curtis Turchak headed up the signage installation and positioned the concrete bases before the frost set in. This will certainly improve clarity in regards to boundaries of all backcountry users and their dedicated areas. Phase 1 of this endeavour is projected to be completed for January 2023.

Many thanks to Greg Smith and the CRL Group for donating their equipment, time and expertise for the Penticton Sno-Trackers parking lot clean up. Debris was removed and the existing parking lot was enlarged. Jason Doell and Joe Millar generously donated their resources to the cause. With music, food, and camaraderie being the theme for the day, the Penticton Sno-Trackers came together and got it done!

We are happy to announce that our first Avalanche Skills Training Level 1 (AST 1) course is filled. Due to expressed interest, a second date will be determined soon. The cost is \$290 for Penticton Sno-Tracker Club Members and \$370 for non-members. It is a 2 day, Saturday and Sunday course. For more information or enquires, please send an email to pentictonsnotrackers@gmail.com.

Follow us on Social Media: Facebook - Penticton Sno-Trackers Snowmobile Club or Instagram - @Penticton SnoTrackers.

Our next monthly meeting is on Wednesday, December 14 from 6:30 - 8:00 pm at 216 Hastings Avenue in Penticton. Come join us and see what we're all about.
