

## Penticton Sno-Trackers Club

By Simone Wyles, Director at Large

Welcome back everyone! A new season is upon us and we are all excited for the upcoming year! The club has been keeping busy over the summer and behind the scenes organizing and planning for future events.

The Penticton Sno-Trackers made their presence known in the Penticton Peach Festival Parade this year. We had an incredible turn out and work party to make our float one of a kind. The sleds came out of hibernation and braved the hot weather and all makes and models of snowmobiles were represented. Our younger members enjoyed giving out candy and waving to the crowds. It was awesome to see the smiles on peoples' faces enjoying the sleds in 30+ degree weather. Special thanks to one of our sponsors, Pacific Rim Equipment, for the use of their low bed and forklift, as well as a huge shout out to Cam for being the most excellent driver.

The Penticton Sno-Trackers are eager to build from our previous achievements. Signage is still a main priority for the club and it will help the snowmobile community navigate Apex safely and respectfully, as well as providing access to our trails, staging areas and parking lot. We always invite questions, comments and input from the Apex community.

The Penticton Sno-Trackers will also continue to enhance our relations with our fellow backcountry users such as the Nickle Plate Nordic Centre and Apex Mountain Resort. We promote backcountry access for all users. As always, our motto has been, "If you pack it in, you pack it out".

Our next meeting will be held on Wednesday, September 14 at 7pm at 216 Hastings Avenue in Penticton. We invite all snowmobiler and snowbike enthusiasts to come check us out!

We can be reached at [pentictonsnotrackers@gmail.com](mailto:pentictonsnotrackers@gmail.com). Our website is [www.pentictonsnotrackers.ca](http://www.pentictonsnotrackers.ca). Follow us on Instagram and Facebook for the latest updates as they happen.
