

Rottweiler Subvalvular Aortic Stenosis Blood Drive

To Benefit Dr. Joshua Sterns SAS Research at UC
Davis

What We Need From You:

- Current Echocardiogram Results (kept confidential per UC Davis Privacy Policy)
 - Submission form to UC Davis
 - 3-5 Generation Pedigree

Blood will be drawn at the ARC Region 1 Specialty on **Saturday October 31, 2020** at the Kootenai County Fairgrounds (4056 N. Government Way, Coeur d'Alene, ID 83815).

****Time To Be Determined****

Blood will be drawn by Katie Cochran, LVT.

WE NEED BLOOD FROM BOTH AFFECTED AND CLEAR DOGS. IF YOU HAVE AN AFFECTED DOG, YOU ARE ENCOURAGED TO SUBMIT A SAMPLE.

Please contact Sharon Marples (VonMarcRotts@gmail.com) or Katie Cochran (LibertyRotts@gmail.com) to sign your dogs up. Please let us know how many dogs you will bring. Submission Forms will be emailed to you.

When a DNA marker is found, all dogs that submitted a sample will receive results free of charge.
