### **Review plans**

You'll find all of the AARP Medicare Supplement Insurance Plans listed on the page titled "Overview of Available Plans" in this section. Please see the Plan Benefit Tables, also in this section, for the coverage details for each plan. Eligibility for certain plans depends on your age and/or your Medicare Part A effective date.

## 2 Discover your rate with applicable discounts

Your rate for the plan you select will be based on several factors, including your age on the plan effective date, gender, tobacco usage, Medicare Part B effective date, and eligibility for certain discounts.

### **Enrollment Discount**

### For Applicants Age 65 and Older:

- Determine your age as of the date you expect your coverage to begin.
- Use the chart below to determine which rate Group applies to you.
- Go to the rate pages (in this section) to locate your rate, based on your gender, non-tobacco or tobacco usage,\* and the rate Group that applies to you.

If the time period between your plan effective date and your 65th birthday (or your Medicare Part B effective date – whichever is later) is:

Number of years:	You are in:
Less than 15	Group 1
15 or more	Group 2

If you are in Group 1 <u>and</u> under age 86, you may be eligible for the current Standard Rate with the Enrollment Discount. You can find information about the Enrollment Discount and the eligibility requirements on the back of this page. Your answers to the medical questions on the application will also affect your monthly premium as the rate page indicates.

### **Multi-Insured Discount**

You may also take **7%** off the Standard Rate if two or more members are enrolled under the same AARP membership number and each is insured under an eligible AARP-branded supplemental insurance policy insured by UnitedHealthcare Insurance Company.

# 3) E

Enroll

After you choose a plan and find your specific rate, simply fill out the application and any additional required forms in this booklet and send them in using the enclosed postage-paid reply envelope. Or, you can conveniently enroll online with the guidance of your licensed insurance agent. See the *Enrollment Checklist* enclosed in the "Forms" section of this booklet for the list of items to complete and submit with your application.

\*You are eligible for a non-tobacco rate if you have not smoked tobacco cigarettes or used other tobacco products within the past 12 months.

### Eligibility

You may be eligible for the Enrollment Discount if your age on your plan effective date is:

- 65 to 74 and you do not have any of the medical conditions listed on the application.
- 75 to 85 and your plan effective date is within 15 years of your Medicare Part B effective date and you do not have any of the medical conditions listed on the application.

Note: Medical questions do not apply to you if your plan effective date is within 6 months of your Medicare Part B effective date or you meet a guaranteed issue situation.

You may be eligible for the Multi-Insured Discount if two or more members are enrolled under the same AARP membership number and each is insured under an eligible AARP-branded supplemental insurance policy insured by UnitedHealthcare Insurance Company.

### How it works

The Enrollment Discount is applied to the current Standard Rate, which usually changes each year. The discount you receive in your first year of coverage depends on your age on your coverage effective date and decreases 2% each year, after age 67, and 3% each year, after age 79, on the anniversary date of your coverage. Please note that as the discount decreases on your plan's anniversary date, your monthly premium will increase; this may happen at a time other than the Plan's annual rate change. Please keep this in mind when budgeting for your health insurance expenses.

The Multi-Insured Discount is taken off of the Standard Rate.

# Your Guide to AARP Medicare Supplement Insurance Plans

To help you choose the AARP Medicare Supplement Plan, insured by UnitedHealthcare Insurance Company (UnitedHealthcare), to best meet your needs and budget, be sure to look at the information shown in this Guide and the other documents that show the expenses that Medicare pays, the benefits each Plan pays and the costs you will have to pay yourself. Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.** 

### Eligibility to Apply \_

To be eligible to apply, you must be an AARP member or spouse of a member, age 65 or older, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare supplement coverage.

### **Guaranteed Acceptance**

- Your acceptance in any plan for which you're eligible to enroll is guaranteed during your Medicare Supplement Open Enrollment Period, which lasts for 6 months beginning with the first day of the month in which you are both age 65 or older and enrolled in Medicare Part B.
- Also, you may have a guaranteed issue right to enroll in a Medicare supplement plan in certain situations. Some examples:
  - you have a specific type of health insurance coverage that changes in some way, such as a loss of the coverage, or
  - you enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare supplement plan during the trial period.

If you received a notice from your employer or prior insurer saying you are eligible for guaranteed issue of a Medicare supplement plan, you may be guaranteed acceptance into one or more AARP Medicare Supplement Plans. If you have a guaranteed issue right, you must provide a copy of the notice, disenrollment letter or other documentation you received AND your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost, the termination reason, the termination date and the name of the person(s) who lost or is losing coverage.

If you have questions about guaranteed issue rights, please see *The Guide to Health Insurance for People with Medicare*, which can be found at www.Medicare.gov/publications. You may also want to contact the administrator of your prior health insurance plan or your local state department on aging.

**2 NOTICE:** When your Medicare Part A hospital benefits are exhausted, the insurer stands in place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.

3 You will pay half of the cost-sharing of some covered services until you reach the annual out-ofpocket limit of \$6940 each calendar year. The amounts that count toward your annual limit are noted with diamonds (♦) in the chart above. Once you reach the annual limit, the plan pays 100% of the Medicare co-payment and coinsurance for the rest of the calendar year. However, this limit does NOT include charges from your provider that exceed Medicare-approved amounts (these are called "Excess Charges") and you will be responsible for paying this difference in the amount charged by your provider and the amount paid by Medicare for the item or service.

This page explains important rules governing your Medicare supplement coverage. These rules affect you. Please read them carefully and make sure you understand them before you buy or change any Medicare supplement insurance.

#### **Premium information**

You may keep your Medicare supplement plan in force by paying the required monthly premium when due. Monthly rates shown reflect current premium levels and all rates are subject to change. Any change will apply to all members of the same class insured under your plan who reside in your state.

#### Disclosures

Use the Overview of Available Plans, the Plan Benefit Tables and Cover Page - Rates to compare benefits and premiums among plans.

#### Read your certificate very carefully

This is only an outline describing your certificate's most important features. The certificate is your insurance contract. You must read the certificate itself to understand all of the rights and duties of both you and your insurance company.

#### Your right to return the certificate

If you find that you are not satisfied with your coverage, you may return the certificate to:

UnitedHealthcare PO BOX 30607 Salt Lake City, UT 84130-0607

If you send the certificate back to us within 30 days after you receive it, we will treat the certificate as if it had never been issued and return all of your premium payments. However, UnitedHealthcare has the right to recover any claims paid during that period. Any premium refund otherwise due to you will be reduced by the amount of any claims paid during this period. If you have received claims payment in excess of the amount of your premium, no refund of premium will be made.

#### **Policy replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new certificate and are sure you want to keep it.

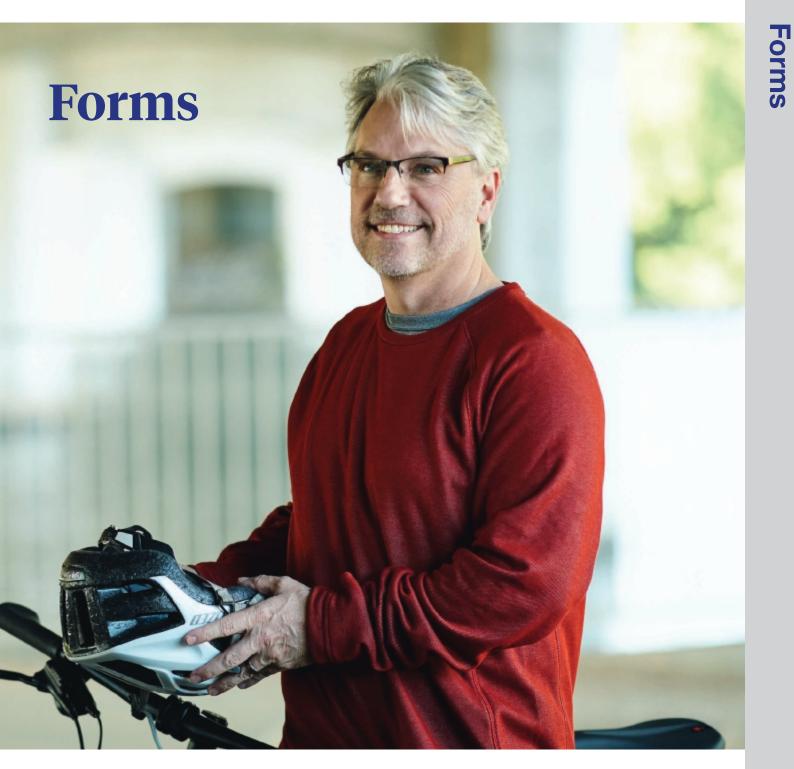

#### Notice

The certificate may not fully cover all of your medical costs. Neither UnitedHealthcare Insurance Company nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult the Centers for Medicare & Medicaid Services (CMS) publication *Medicare & You* for more details.

#### Complete answers are very important

When you fill out the enrollment application for the new certificate, be sure to answer all questions about your medical and health history truthfully and completely. The company may cancel your certificate and refuse to pay any claims if you leave out or falsify important medical information. Review the enrollment application carefully before you sign it. Be certain that all information has been properly recorded.

#### Important Notice Before You Buy Health Insurance

Dear Consumer:

Insurance is a very important, sometimes confusing and generally expensive consumer purchase. Health insurance is one of the most significant coverages seniors consider buying. Many seniors feel they need extra information before making a decision.

#### Free Help Is Available

Across Iowa there is a network of trained volunteers who can help you compare and analyze health policies you are considering. These volunteers have been trained by people from the State of Iowa Division of Insurance. This free service is available through the **Senior Health Insurance Information Program (SHIIP).** 

#### **This Is Objective Information**

SHIIP volunteers do <u>not</u> sell insurance. They work, with the help of the Iowa Insurance Division, to provide objective information about the policies you are considering.

#### **The Decision Is Yours**

SHIIP volunteers will <u>not</u> recommend companies, policies or agents. They cannot tell you which policy to buy. They can help you understand the *"fine print"* and what the policy does and does not cover.

#### Where To Call

For the SHIIP volunteer nearest you call **1-800-351-4664.** We hope you will use this valuable service as you consider the purchase of health insurance.

#### NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE UNITEDHEALTHCARE INSURANCE COMPANY

Horsham, Pennsylvania

#### Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

#### Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

\_\_\_\_ Additional benefits.

- State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to

the extent such time was spent (depleted) under the original policy.

3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.
