Part F: Notices

You do not need more than one Medicare Supplement policy.

If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.

You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.

If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but it will otherwise be substantially equivalent to your coverage before the date of the suspension.

If you are eligible for, and have enrolled in, a Medicare Supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare Supplement policy under these circumstances and later lose your employer or union-based group health plan, your suspended Medicare Supplement policy (or if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but it will otherwise be substantially equivalent to your coverage before the date of the suspension.

Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

Part G: Application agreement

I hereby apply to Medico Insurance Company (the Company) for a **Medicare Supplement insurance policy** to be issued solely and entirely in reliance on my answers to the questions. This application will become a part of any policy to which this form is attached. If I am not applying during Open Enrollment or not eligible for guaranteed issue, I do not have a right to have this policy issued to me if I have answered "Yes" to any of questions 1 through 4 in the "General health information" part or have answered "Yes" to any of questions 1 through 4 in the "Medical health information" part. I have read, or had read to me, the complete application.

I have read and agree:

- No insurance exists unless and until coverage is approved by the Company, the first premium is paid, and a policy is delivered.
- The information furnished is complete, true, and correctly recorded to the best of my knowledge.
- If requested, I will complete a recorded telephone call with a Company representative as part of the underwriting process.
- No portion of the premium will be paid, during the period the policy is in force, by or on behalf of a third party (not to include an immediate family member), either directly, through wage adjustments, or other means of reimbursement.

I have received the Notice of Privacy Practices and the Outline of Coverage for the policy.

I have received a link to the Medicare Supplement Buyers Guide, "A Guide to Health Insurance for People With Medicare," on the Company website at www.GoMedico.com/products.

- CAUTION: If your answers on this application are incorrect or untrue, the Company may have the right to deny benefits or rescind your policy if the misrepresentation was material to our acceptance of the risk.
- NOTICE: Any person who knowingly and with intent to defraud or damage files a claim containing false, incomplete, or misleading information may be in violation of state law. Use of the mail to defraud is a violation of federal law.

I acknowledge that in states where it is required, the producer made the necessary inquiries concerning my insurance needs and proposed a program of insurance that is suitable for my needs. I am applying for this Medicare Supplement insurance policy.

Important Notice Before You Buy Health Insurance

Dear Consumer,

Insurance is a very important, sometimes confusing and generally expensive consumer purchase. Health insurance is one of the most significant coverages seniors consider buying. Many seniors feel they need extra information before making a decision.

Free Help Is Available

Across Iowa there is a network of trained volunteers who can help you compare and analyze health policies you are considering. These volunteers have been trained by people from the State of Iowa Division of Insurance. This free service is available through the **Senior Health Insurance Information Program (SHIIP)**.

This Is Objective Information

SHIIP volunteers **do not** sell insurance. They work, with the help of the lowa Insurance Division, to provide objective information about the policies you are considering.

The Decision Is Yours

SHIIP volunteers **will not** recommend companies, policies or agents. They cannot tell you which policy to buy. They can help you understand the "fine print" and what the policy does and does not cover.

Where to Call

For the SHIIP volunteer nearest you call **800-351-4664**. We hope you will use this valuable service as you consider the purchase of health insurance.

¹ Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,700 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

Premium Information

We, Medico Insurance Company, guarantee to renew your policy for life as long as the premium is paid when due.

We can only raise your premium if we raise the premium for all policies like yours in this state. If it is necessary to change the premium for your policy, we will notify you 30 days in advance of the change in premium. Premiums are based on your attained age.

Household Premium Discount

Disclosures

Use this outline to compare benefits and premiums among policies.

Read Your Policy Very Carefully

When you receive your policy, please review it along with the attached application. If you find that you are not satisfied with your policy, you may return it to us at P.O. Box 10386, Des Moines, IA 50306. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments, less any claims paid.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

This policy may not fully cover all of your medical costs.

Neither Medico Insurance Company nor its producers are connected with Medicare.

Complete Answers Are Very Important

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The Company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Medical and health history questions are not required to be answered on the application if you apply during Open Enrollment or if you are eligible for a Guaranteed Issue.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

IowaMedicare Supplement Rates

Plans A, F, HdF, G, HdG, and N

Effective 2-1-2023

How to calculate the premium

Utilize QuickQuote.myenroller.com or the worksheet below to calculate the premium.

Step 1: Find the monthly base premium rate

Find the monthly premium rate on the following tables based on the plan, applicant's age, gender, and ZIP code. Write the monthly base premium rate on line 1 below.

Step 2: Determine the rate class

Write 1.25 on line 2 below for all applicants who use tobacco.

Write 1 on line 2 below for applicants in an open enrollment or guaranteed issue period who don't use tobacco.

Use the height and weight chart on page 3 to determine the rate class and factor for all other applicants who don't use tobacco. Write the rate factor on line 2 below.

Step 3: Household discount factor

If the applicant lives in the same household with another person age 50 or older, regardless of whether both sign up for coverage with Medico Insurance Company, a discount is applied to the premium rates. Write 0.9 on line 3 below if the applicant is eligible for the household discount. Write 1 on line 3 below if the applicant is not eligible for the household discount.

Step 4: Find the mode factor

Determine the mode factor for the method of premium payment requested by the applicant. Write the mode factor on line 4 below.

Note: If a method of premium payment is not listed here, it is not available.

Mode factors	
Monthly via automatic bank withdrawal	1
Quarterly via automatic bank withdrawal	3
Semi-annually via automatic bank withdrawal	6
Annually via automatic bank withdrawal	12
Monthly via credit or debit card	1.032
Quarterly via credit or debit card	3.096
Semi-annually via credit or debit card	6.18
Annually via credit or debit card	12.36

Step 5: Calculate the premium

Multiply to determine the premium and round to the nearest cent:

Please note: Due to rounding, premium amounts you calculate may differ by a few cents from the final premium.

Height and weight chart

Find the applicant's height in the left column then find their weight in that row. The rate class and factor are shown at the top and bottom of the column.
