

# it's AS EASY AS 1 2 3

Your Principal Contractor has you covered with HazardCo's H&S system. Protect yourself and your crew by following the steps below:

## GETTING STARTED

- Read Site Specific Safety Plan (SSSP) sent to your email or within the HazardCo App.
- Download the HazardCo App
- Click "Create Free Account".

## SCANNING IN & OUT

When on a HazardCo site:

- Use the QR code on the Hazard Board to complete an induction for the first time on-site.
- Remember to scan in and out each day

## SUBMITTING SWMS

- Complete a Safe Work Method Statement (SWMS) on the App for any high-risk construction work that is being carried out.
- Choose a template relevant to your works, review the hazards, equipment and PPE.
- Click submit and you are good to go!
