YOUR ticket to exploring the world!

Dreaming about a year abroad but worried about the cost? Want to get a taste for an exchange but don't want to commit to a full year? **Rotary Youth Exchange has you covered!**

Our exchange program is different. We rely on a **world-wide** coordinated effort of volunteers. Although our program isn't free, the fees are much less than for-profit exchange programs. This program is within financial reach for most students!

Long-Term Exchange: Full Academic Year (10-11 months). Students attend local schools and live with multiple host families

Short-Term Exchange: Short-term exchanges last from several days to 3 months and are often structured as camps, tours, or homestays that take place when school is not in session.
