Every ballet tells a story and sparks creativity!

Your child can live out his/her very own fairytale led by the one-of-a-kind "storyteller," Mrs. Lucia.

Pages will be filled with:

- Basic ballet movement
- Ballet technique
- Ballet vocabulary
- Manners & etiquette
- Personalized tea party
- Experience different cultures

Daily ballet based activities will include:

- Ballet barre
- Ballet choreography
- Story time
- Healthy snacks
- Crafts
- Music

*Together, dancers will star in their own fairytale
at the conclusion of the camp for parents to enjoy.*

This is a great program for our future ballerinas to ensure your child falls in love with ballet!
