

High School Programs Spring 2026

Weekly Schedule
2:00pm-4:30pm

Monday - ASL Theatre

Students currently enrolled will continue practicing lines and developing their performance skills.

Tuesday - Robotics

Students currently enrolled will continue building, designing, and programming robots as they prepare for upcoming national competitions.

Wednesday - Academic Bowl Team (ABT)

Students will study educational topics and current/past events. Each year the students compete against other D/HH teams around the country.

Thursday - College Prep

Students will explore different colleges, learn about scholarships, build confidence for their journey after high school, and gain helpful tools to prepare for their future education.

Alternative Programs:

Independent Living Skills or ASL Club Social Time.

- **Tutoring & Homework Help:** Available upon request.
- **L.I.F.E Program:** A monthly mentorship experience for D/HH youth.
