ABOUT Holland Home Leisure

For over 40 years, Holland Home Leisure has been working with our clients to make their backyard dreams a reality. Our talented team of experts works with our clients to create the pool and patio of their dreams. We are looking for dedicated employees who share our love of the summer and all things pool.

ABOUT You

Are you an energetic, enthusiastic, and hard-working person with retail experience and a love for customer service? Then this job is for you. Join our experienced team of retail professionals in a fast-paced and fun industry. The right candidate for the position is reliable, has excellent time-management skills, a hard work ethic and is always up for learning something new. This position is ideal for university students needing summer employment.

Position Overview

Our Summer Sales Associates work directly with our client base to provide outstanding customer service to help our clients manage their pool, patio, and hot tubs products. Associate's work primarily focuses on testing water for pools, hot tubs, and swim spas. Working with our products and clients, Associates will help problem solve water issues and help to maintain safe water conditions for our customers.

As well as water testing, Summer Associates help with daily store operations and maintenance, help design and contribute to in-store displays as well as assist in other business projects that present themselves during our busiest season. Past employees have even assisted the company with recruitment videos, company projects and sales.

General Responsibilities

- Water testing and analysis
- Store maintenance
- Sales and cash transactions
- Product recommendations
- Fulfilling online orders & curbside pick-up orders
- Use of a pallet jack

Qualifications

- Education: Completion of a high-school diploma is required
- Must have basic computer skills including Microsoft Office Suite
- English speaking and writing required for this position

Working Conditions and Physical Requirements:

This position is in an air-conditioned building. Working hours can be between 8-9 hours daily, with the store being open Monday through Friday 9-6, Saturday 9-5 and closed on Sundays. Work weeks are approximately 37.5 hours, worked over five days. The ability to be active on your feet for extended periods of time along with lifting and moving products is a requirement.
