

Flex MSE - Part II - with JOEL KENNEDY

Please join us once again for an insightful and engaging conversation about the future of Green Wall Systems in Atlantic Canada!

May 26th 11am GMT-3
www.flexmse.com/register

This event offers 1 Professional Development Hour and is free for all to attend.

Gain further understanding of the Why's, What's and How's of transitioning into a more innovative, flexible, permanent and environmentally positive alternative for our growing global demands.

A variety of regional Flex MSE case studies from Atlantic Canada will be discussed.

Q&A Session to follow!

CO HOSTED WITH:
