# Volunteer Opportunities

Our wonderful community is made possible by the strong family support we have here at Frost. We are modeling for our kids how we show up for the environment and each other.

**We hope that every family will volunteer for TWO events.**

## Green Team Lead

Do you love to garden? Want to be a part of the crown of our school? We are looking for someone to join our two green team leads to plan events and keep our garden growing. 🌱

## Diversion Program Lead

Do you have a passion for reducing waste? This lead works with e-lab teachers and Green Team to support efforts to reduce waste. Current programs: TerraCycle, NexTrex, Paper Gator, Trick or Trash, Plastic Free Lunch Day + Waste Audit. 🌱🌱

## Waste Warriors

Support our waste diversion efforts by making runs as needed to drop off locations for high level recycling and waste reduction. Diversion Lead will be the primary contact. 🌱

## Advocacy GRPS Board

At Frost we are in a bit of a bubble. Keep caregivers in the loop by attending School Board meetings and report back at general PTA meetings. ❤️

## Volunteer Coordinator

Help us connect with families and other organizations when we need volunteers: Former Frosties,

## Greenhouse Activities Dates TBD

Greenhouse activities connect scholars to the garden through hands on learning. Green Team puts together activities several times per year that require volunteers. Be a part of the planning and/or day of support! 🌱

## Popcorn Fridays Sept 25, Nov 20, Feb 26, Apr 30

Come for as long or little as you'd like. 10 volunteers needed per day to get popcorn to classrooms and connect with one another. This is a great, low stakes way to get involved. Younger children are welcome to join you! ❤️
