Summer Adventures

May 18, 2022

The Cub Master's Column

Hello Scouts, Families, and Perspective Scouts,

This year has flown by! We are happy to announce that we are planning several activities to bring the Pack together throughout the summer months and introduce Perspective Scouts to our Pack. We would like to invite anyone from the area with children between Kindergarten and 5th grade to join us on our Summer Adventures. We have a few activities planned for each month of the summer to engage the kids and having fun. We would love to see each of our Scouts at the activities, but understand how busy the summer can become.

For non-Scouts parents, to participate in our Summer Adventures each child will need to pay \$10 per activity **or** acquire a **Summer Scout Pass** for \$25 per child to finance the various activities, that are otherwise funded through our annual Scout fees. Please see individual activity descriptions. A parent must accompany their child during these summer month programs.

Thank you so much for a fantastic year! We hope to see you all throughout the summer. Please reach out to your Den Leader or the Cub Master (Pam) for more information or questions regarding the summer.

Sincerely,

Pam Gillie

Cub Master— (614) 735-5105
