

Transforming great accounting professionals into **awesome leaders**

“Today was exhilarating! What I learned and the experience I had, exceeded my expectations. Phenomenal job Kristie!”

Greg B. – Senior Manager, Deloitte

Kristie Stocker

Empower your people

with a customized program from Kristie Stocker on how to develop the skills they need to move on up and achieve what they really want.

Since 2002, Kristie has been delivering thought-provoking messages filled with **techniques high-achievers can put to use immediately**. With decades of corporate experience influencing individuals and groups, Kristie is described as **genuine, funny and a master at energizing her audiences**.

She'll over-deliver on inspiration, but it's the **long-term action plan** that she provides that will make you the hero in your organization for having found her, and you'll also be the hero for helping your people change their lives!

Book Kristie today to help you develop leaders out of your best people tomorrow

“Kristie’s presentation on leadership and personalities is a great way to frame out the importance not just of leadership but it’s applicability to our profession in finance and accounting.”

Christian Cuzick
Vice-President of Finance, Johnson & Johnson

Featured Programs

Create Awesome Leaders: Lead With Personality

- Find common ground with your polar opposite, so you can be more effective, no matter who you're working with.
- Simplify your communication so there's less room for bias and interpretation
- Create the ideal team blend of strengths and communication methods to accomplish more

Create Awesome Performance: The Most Powerful 3-Letter Word

- Stop self-sabotaging and shift their thinking to expect that they can get what they want.
- Jumpstart your future and current leaders to be excited about their potential.
- Continue this new, game-changing thought pattern long after the talk is over.

This was definitely worth it. I'm already thinking of people who should attend this session.

Dawnyale Jones
Provider Relations Advocate

Create Awesome Growth: How to Lead When It's Hard

- Learn how to REALLY make lemonade out of lemons – a simple shift that will empower your teams to grow, especially when the going gets tough
- Use a proven method that will keep you going (in the right direction) even when leading is painfully hard.
- Seek out the adversity in any situation and use it as a secret weapon for growth for everyone involved.

I have attended probably seven or so of these annual conferences and your presentation is one of my favorites, that I both enjoyed and felt that I can use everyday, even outside of business.

Richard Steinhart
CFO, Grand Haven Steel Products

Kristie did a fabulous job! Everybody was coming to me afterwards saying how great it was. This program is great for anyone who really cares about their career, knowing yourself and knowing the people around you. I found it very valuable.

Susan Bos – Deputy Treasurer, Washtenaw County
