THE JESSE KLUMP SUICIDE AWARENESS & PREVENTION PROGRAM

Visit our website: Jessespaddle.com or call: #667-227-9247

A donation to the Jesse Klump Memorial Fund's suicide prevention program is an investment in the community. The proven cost to preserve a life from suicide is a tiny fraction of the economic loss sustained when someone takes their own life.

Jesse's Paddle Sponsorship must be requested by August 20th, so we have enough time to print yard sign.
