

Norwin Class of 1966 – 60th Reunion Invitation

Dear Fellow Survivors of the Swingin' Sixties,

Can you believe it? It's been almost 60 years since we strutted across that stage, diplomas in hand, ready to take on the world (or at least find where we parked our cars). Some of us still have the same dance moves, a few of us still have our hair, and all of us have more stories than we can count.

So, let's get together and celebrate six decades of wisdom, wit, and possibly a few new knees. Here's what's happening:

📍 Friday, September 18, 2026 – Cocktail Party

Where: **Manor Grill** (formerly Brandy Meeting Eating & Drinking Place, because we've lived long enough for this place of mine to change names six times)

Address: **200 Main Street, Irwin**

Time: **Evening (aka Happy Hour, which gets earlier every year)**

📍 Saturday, September 19, 2026 – Dinner Party

Where: **Manor Country Club at Manor Valley Golf Course**

Address: **2095 Denmark Manor Road, Export, PA 15632**

Time: **Evening – Bring your appetite, your best stories, and your reading glasses**

Let's raise a glass, share a laugh, and prove that the Norwin Class of '66 is still as legendary as ever. Mark your calendars, spread the word, and get ready for a weekend of memories, mischief, and maybe even a little dancing (no doctor's notes required).

Looking forward to seeing you all—wrinkles, wisdom, and all!

Your Class President,
Dan Casagrande
