

Hiring Nationwide

Job Title - Account Manager – Selling MapleCane Syrup to individuals, restaurants, cafeterias and assistant living facilities. Plus, host SSA Pancake Breakfast Fundraisers at local community centers.

Requirements: Strong communication skills, ability to build relationships, love helping people and a passion for making a positive impact for stroke survivors.

Are you innovative, dedicated, ambitious, and willing to grow? Our team is committed to creating a supportive and safe work environment for workers. Your time and deeds will be for the 2 true facts below to understand your job and what is your purpose.

- Truth 1 - Someone in the United States has a stroke every 40 seconds. Every 4 minutes, someone dies of a stroke. That's 15 people die per hour, 360 people die per day and over 131,400 people died from a stroke a year. Every year, more than 795,000 people in the United States survive a stroke. Right now, over 7 million Americans are living with its effects of a stroke in 2024.
- Truth 2 - Stroke ranks as the fifth leading killer in the United States. A stroke can be devastating to individuals and their families, robbing them of their independence, income, and savings. It is the most common cause of adult disability. There is no financial (MONEY) aid to help stroke survivors. They are alone. They need your help.

If you like helping people, this job is for you. We need you to do 1 of the 2 jobs below or both. Visit our website, read and review every page.

- **Sell MapleCane Syrup**
- **Host a Pancake Breakfast Fundraiser**
