BIOGRAPHY

Joanna Alexopoulos is a messenger of divine truth. She is a spiritual teacher, intuitive coach, reiki energy healer, speaker, author, and poet.

Joanna is an open channel and attains wisdom and guidance from benevolent beings of higher realms of consciousness. Her love and compassion for humanity merge with that of the Ascended Masters and is deeply felt in her book, *Awaken To Your Truth: The Time Is Now*.

She receives divine messages through a method called conscious channeling. Joanna shares what she learns through writing and YouTube content creation. She also offers channeling and coaching sessions. Her messages are based on universal truth, and not on any religion. She focuses on helping people embrace and honour their true authentic self to live a happy, purposeful life.

Joanna lives in Toronto with her family. She enjoys the beauty of her perennial garden, the tranquility of her Japanese garden, and the love she has for nature and sky photography.

“We are infinite beings of love and light, the divine truth of all that is, and the power by which all is possible.” ~Joanna~
