EXPERIMENTAL BLOCK [6 mins]

[School Beasts And Where To Find Them](#) (2:00)

Professor Caratozzolo makes films with his students.

Many have an experimental vibe. I thought it was very sweet that he encourages his students to explore their creative interests. Another film from his students, [The Rigoli Affair](#) (6:52) features some impressive acting from middle schoolers, so I wanted to shout that out!

Written and directed by Vittorio Caratozzolo & Class 2 A

Starring: Sofia Cattaneo & Class 2 A

FANTASY [26 mins]

Simon, The Poet Troll* (25:35)

Written and Directed by Marcus Solomon
Starring: Phillip Ray Guevara, Lauren Clark, Elizabeth Jackson, Eric Escanuelas, Strange Creek Man

*I guess this genre may actually be "Magical Realism" but I already made the title card, so let's just assume Simon is a real troll.

Director's statement: "I was inspired to write this story when I noticed a man living under a bridge and wanted to find a way to help him."

We were inspired by Marcus' statement. A portion of the ticket sales will be donated to a variety of local organizations. You can find more information at:
