Safety Leads. Culture Inspires. Performance Thrives.

Training Course Specification

Course Title	Fire Marshal Training
Course Description	Our Fire Marshal Training provides employees with the knowledge and confidence to respond safely in the event of a fire. Delegates will learn about fire prevention, identifying fire hazards, emergency procedures, evacuation responsibilities, and the safe use of fire extinguishers. The course helps businesses meet their legal obligations while ensuring Fire Marshals are prepared to protect people and property.
Course Duration	3 hours
Max no of participants	12
Who should attend	Anyone selected as a Fire Marshal in the workplace
Pre-requisites	N/A
Course Content	• Fire safety legislation and the responsibilities of Fire Marshals and employees. • How fires start, spread and the measures used to prevent and control them. • Fire risk assessments and identifying common fire hazards in the workplace. • Emergency procedures, safe evacuation and the role of a Fire Marshal during an incident. • Fire extinguishers, fire briefings and promoting a culture of fire safety within the workplace
Assessments	Delegates will be continuously assessed throughout the course, to ensure they have met the learning outcomes. Learning objectives are also reinforced through written answers.
Course Costs	TBA – Quote upon request
