I, _____, have obtained membership with the Tonn's Orchard CSA for the 2018 harvest season of June thru October. I commit to picking up my weekly share in a timely manner. When I am unable to pick-up on my chosen day I will provide 24 hours notice in order to avoid wasted food. That week's share will either be forfeited, packed for a different agreed upon day or other arrangements can be made.

As a member of the Tonn's Orchard CSA I will receive a weekly share consisting of 4-10 different fresh items. I understand that the variety and quantity of produce I receive depends on growing conditions that vary from season to season and week to week. The risks and benefits of the harvest are shared by both the members and the farmers. By participating in this CSA, I am supporting local growers as well as a healthier society.

Members can choose what options works best for them. CSA memberships are available and in full shares and half shares
