Exciting things are happening in Randolph County!

There is always something fun to do in Randolph County - from the parks found here in this Directory, to the events happening at our parks and in our community too!

Be sure to check out the Events tab on the Randolph County United and Randolph Tourism Facebook Pages!

We are excited about the work being done to bring a kayak launch to our area and a splash pad too! Be on the lookout for those details as their planning committees work diligently to bring those projects to life!
