Pathways to Politics for Women embraces an inclusive definition of 'women', acknowledging the diversity of women we work with and aim to support, including cisgender and transgender women, and non-binary people.

- Benefit from Australia's most comprehensive and award-winning program
- Learn to be the politician you want to be in a safe, inclusive space
- Help shape Australia's political landscape
- Accessible, diverse and fully funded

"To bring more women into politics, we need political parties to make structural changes, but we also need programs like Pathways to Politics, that special energy that happens when women come together to support each other, to learn from each other, to make sure that they're ready to step forward into the political world."
