

# WOLF TRAP

The late Catherine Filene Shouse founded Wolf Trap through a donation of 100 acres of her Vienna, Virginia farmland (near Washington, DC) to the U.S. Government, as well as funds for construction of a 6,800 seat indoor/outdoor theater. The gift was accepted by an Act of Congress in 1966 and Wolf Trap's larger venue, the Filene Center, opened in 1971 as a public/private partnership between the Wolf Trap Foundation and the U.S. Department of the Interior, National Park Service.
