- **Who are the Sea Scouts?** The Sea Scouts are part of Scouting America. We are (in our opinion) the most exciting “High Adventure” program for youth ages 14 - 21.
- **What do we do?** We teach basic seamanship, navigation, rules of the road, boat repair, engine maintenance, sailing, snorkeling, and many of the core values of the Scouting program. Additionally, we enjoy camping, hiking, and competing in local and national competitions that feature drill, knot-tying, boating skills, and communications.
- **Careers?** Many of our youth continue their careers in the maritime industry after Sea Scouting, and some pursue careers in the military. Others become experienced boaters and, at the very least, become great youth leaders in the community
- **When do we meet?** We meet every Tuesday at 7 pm at the Sea Base in Long Beach
- **Skipper:** Albert Guerra
