Dear Shades of Purple Supporters and Community,

We would like to thank everyone for their continued support to Teach Them to Love (T3L) Outreach Ministries and its community events like the Shades of Purple Ball. As many of you are aware Bell County has moved into a Stage 2 public health issue, as it pertains to the COVID-19. We have been carefully following the news, recommendations and expertise of health officials as the situation with COVID-19 has continued to evolve here in Texas, Bell County, and all the surrounding areas. T3L is dedicated to ensuring the health and safety of the T3L Outreach Ministries network, supporters, those we serve, and the public as a whole. Out of an abundance of caution, **T3L has made the decision to postpone the 3rd Annual Shades of Purple Ball. We anticipate rescheduling for the month of October 2020 during Domestic Violence Awareness month.**

We will have a definitive date scheduled within the next 3 weeks for our 3rd Annual Shades of Purple Ball in October which will be at the at the same location, (The Officer's Club on Fort Hood). The date will be posted throughout social media and by phone. We will resume all ticket sales as soon as we have a precise date for the ball. All purchased tickets, tables, sponsorship, and guest list are still valid and will be honored and maintained for the next scheduled date.

We sincerely apologize for any inconvenience this may have caused. Thank you all for your patience and understanding, as we look forward to your presence at our T3L 3rd Annual Shades of Purple Ball. As it is an opportunity for us to thank you for all your support and contributions to the success of the ministry for the past 3 years.

In the event, that we must cancel due to COVID-19, all donations are greatly appreciated, and any refunds will be made within 30 business days. Please contact us via email or phone if you have any questions or concerns. Our email address is t3lshadesofpurple@yahoo.com or 254-247-9970. Thank you again!

Sincerely yours truly,

Lolita R. Gilmore
