## GREETINGS

Happy New Year Everyone!

We had a great 2023 and I am hoping 2024 will be another fantastic year!

I would like to take this time to say a huge “Thank You” to our Board members for all your encouragement and dedication throughout the year.

You are all dear to me. I appreciate your friendship and I cannot forget all our volunteers that have gone above the call of duty to make sure our activities throughout the year are great and flawless. My two year term is over but I will be staying on the Board as Past President.

Enjoy these Holiday Party photos. This year we bought the beautiful, in-bloom cattleyas from Odom's Orchids. It was a fabulous party and a special *thank you* to the committee, who make it an enjoyable evening. May the New Year bring you all Happiness and Health!

Happy Growing

Chickie Tobias  
DBOS President
