FROM THE DEACON

Today's readings are full of hope and promise. Zechariah is speaking to a people who have just come out of exile, while Matthew writes to early Christians, followers of Jesus who are burdened, struggling to follow his way. We live in a time burdened by information, often negative or misleading, or disinformation, what appears to be true and without any basis in fact, but on which people are hanging their proverbial hats. There are serious threats and major divisions in our country and in our church as well, and we could use some words of encouragement, much like those in our scriptures for today.

We look for honorable leaders and for words we can trust. Do we allow God's word to be a true source of good news for us today? What would happen if we were to allow ourselves to accept Jesus' invitation to

come for him for rest?

It is ironic that we hear these readings that remind us that we are fully dependent on God on the weekend that we celebrate our independence as a nation. And the reality is, as we're seeing from the convergence of all the happenings in our world today, that we, as God's people acting as leaven in the world, are indeed inter-dependent. We need each other, each and every one, formed in the image of God, and loved equally by a God whose love is not limited by race, religion, gender, or any other way we humans have devised to sort and separate. May this 4th of July be a wake-up-call for each of us who profess to be "in the Spirit of Christ," to find our rest in Jesus in order to live our lives as he did, with humility and meekness.

- Deacon Rick

WELCOME, FR. RICHARD RHINEHART!

Greetings to all of you as I start my new assignment at this 5-parish cluster for the Diocese of Superior. When I heard I was coming here, I was and am super excited to

be one of your priests and share my priesthood with you. And now, a little about myself...

My grandmother and her brother settled in Iron River and Caspian MI in the 1920's. My dad has been coming up north his entire life as have I. Alyce Regozzi moved to Chicago where she met my grandfather and is where my parents met as well. I attended Our Lady of the Wayside Catholic School where my dad taught for over 40 years. My mom was a registered nurse for over 47 years and a parish nurse for 13 years, both my parents are retired. I am the youngest and oldest in our family as I'm an only child. We bought a cottage in 1980 on Cranberry Lake in Eagle River and I have spent summers enjoying all the Northwoods has to offer. I went to St. Viator High School in Arlington Heights IL, then Parks College of St. Louis University with aspirations of being a commercial pilot. I still have all the pilot licenses and want to get back in the air soon. I started 15 years of management and business career at UPS, then FedEx Ground, and Home Depot as the flying took a back seat. I went back to school and received an MBA from Dominican University. One day, I woke up and told my mom I wanted to be a priest...she said, "I know". I asked her how she knew, and she said that she knew this would eventually happen. It took a long time as I never considered the priesthood until that day when the Holy Spirit moved me to follow God's will and not my own. I entered a discernment group for the Archdiocese of Chicago and was accepted to Mundelein Seminary for four years in that Diocese. I realized, after much prayer and discussion with my spiritual director that I was not in the right place, as my heart has always been up here. I left the seminary in October and contacted Fr. Patrick in Eagle River in February. The following August, after being accepted to our Diocese in Superior, I started the last two years of seminary studies at St. Francis de Sales in Milwaukee. I was ordained a Deacon at St. Peter the Fisherman in December of 2017 and the Sacred Order of the Priesthood June 24, 2018. The last two years I have been assigned to St. Bridget's in River Falls, St. Mary Immaculate Conception in Hammond, and the St. Thomas More Newman Center at the University of Wisconsin River Falls. My parents moved to Eagle River 2 years ago when I became a priest and they spend their time between their condo and our cottage on Cranberry Lake. I am so blessed to be back home! I look forward to meeting all of you and sharing my priesthood with you as well. As I start my new assignment here, may God bless all of you and your loved ones!

In Christ through our Blessed Mother Mary, Fr. Rich

The Food 4 Kids Backpack Program

is still running throughout our quarantine. The school has been essential in providing meals to our youth in their time of need, but the programs need consistent help. They even need extra help right now because meals are being provided twice a day, rather than just on the weekends. If you are able, please consider donating to the Food 4 Kids Backpack Program or FORK Program. Whether you are able to make a cash contribution or food, all help is greatly appreciated. If donating food, most needed items are:

- ◆ Individual Serving Size Meals
- ◆ Popcorn
- ◆ Granola Bars
- ◆ Fruits and Veggies need to be dropped off at the school directly.

CEMETERY CROSS & CORPUS

If you have been out to the St. Peter's Cemetery since last summer, you may have noticed that the cross and corpus have been taken down from the altar. Both pieces have been cracking and crumbling for many years, however, they are no longer "fixable". So, to prevent any injuries, they were taken down.

A big thank you to Tom Busha for researching a replacement for us. However, due to a decrease in sales of cemetery plots, the cemetery does not have the funds to cover the cost of the cross and corpus.

Material costs are \$12,810. Installation costs are \$8,000 (unless someone is willing to help us out) and freight to Eagle River from Chicago Customs is \$480. Total estimated replacement is \$21,290.
