### Reflection

May our stewardship of time, talent, and treasure show us to be among those who have heard the message of Christ and taken it in, yielding a hundred— or sixty— or thirty-fold.

### Formation Question

Adult: How do you provide “good soil” for the faith of others to grow?

Child: What are you doing to help the seeds of your faith grow each day?

## FROM FR. RON

A brilliant orange flower is growing on, or rather in my front porch. It appears to be rooted in pavement. Its stem leans alongside a fracture of a small cement retaining wall. While improbable, there is no denying that seed fell and that seed is now blooming and bright with color. It seems incredible, yet my eyes have seen it and I cannot but believe it possible.

The biological determination of a flower to grow in circumstances defying logic and probability has me thinking about the still deeper power of the word of God that is scattered on different terrains. I pray that my heart be good soil, be a place where I listen and understand so that the word takes hold and pushes through to

fullness and beauty – knowing that sometimes my heart is also a terrain that defies logic and probability.

Do I look at the world with that same desire and faith in the power of God’s word? Do I see neighbor, stranger, the familiar and the distinct, as places where this seed might well thrive? As people who strive to understand with the heart, we have no idea in which places the word and its beauty will take hold. May the word take hold wildly and freely in this fractured world so that something extraordinary blooms.... by grace, rather than logic or probability.

- Fr. Ron

Our Diocese of Superior Vocations Office recently launched their Called North website to promote a culture of Vocations in our Diocese that will foster any discerning men and their families by understanding the process on a familiar level.

The Office of Vocations hosts several events throughout the year, including St. Andrew dinners, Come & See weekends at the seminary and they also promote the High School Discipleship weekends that the Office of Catholic Formation offers and meet individually with discerning men and their parents by request. All of these Diocesan events appear on the calendar on the Called North website, which is: [www.callednorth.org](http://www.callednorth.org)

St. Mary's in Phelps is looking for some volunteers in several areas of service for the church community. If you would be interested in learning more please contact Geri Taylor, Fr. Ron or the parish office.

St. Albert's Liturgical Ministry Schedules are completed and for those that have volunteered please pick up your schedule & letter on the table in the entry of St. Alberts. **Thank you** so much for all the time you have dedicated to support our parish community.

*We are always seeking to increase our volunteer lists so please feel free to contact the parish office to learn how your skills could be utilized!*

**PILGRIMAGED POSTPONED!**

The Pilgrimage to the Holy Land with Fr. Ron has been postponed until April 19-30, 2021. If you are interested in joining us in the spring, please contact the office for more information.

**NEW MISSALS**

With the beginning of Advent comes the start of the new Liturgical Year. It also means new missals. This year we have decided to switch over to **3-year cycle missals**. This means that the new missals won't have to be changed every year. These are more expensive, but will only have to be replaced when they get worn.

If you are interested in "donating" a missal, a sticker will be put in the inside-front cover of the book stating that "This book was generously donated by ...". The cost per book comes to approximately \$21. If this is something you would be interested in doing, please send in your "purchase price" with a memo stating Missal Contribution. A sticker will be printed for every missal you "purchase". Then you can play musical chairs in church to find your book!

St. Albert/St. Mary Rectory's Roof Project has been completed early! Thank you for your continued support of our parish allowing us to take care of this need. Thank you to Eagle River Roofing for a job well done and early!

**DAILY TELECONFERENCE ROSARY:**  
Several families from St. Mary's, who have been praying the rosary for several months now, are inviting parishioners from St. Peter's, St. Albert's and other parishioners from St. Mary's to join us in praying the rosary daily.

**WHEN:** Mon - Sat, 7:30 AM  
**DIAL-IN:** At 7:25 AM, 1 (701) 802-5273. At the prompt enter the Access Code 1265211#. You will be linked into the conference.

**TIME COMMITMENT:**

**The Food 4 Kids Backpack Program**

is still running throughout our quarantine. The school has been essential in providing meals to our youth in their time of need, but the programs need consistent help. They even need extra help right now because meals are being provided twice a day, rather than just on the weekends. If you are able, please consider donating to the Food 4 Kids Backpack Program or FORK Program. Whether you are able to make a cash contribution or food, all help is greatly appreciated. If donating food, most needed items are:

- ◆ Individual Serving Size Meals
- ◆ Popcorn
- ◆ Granola Bars
- ◆ Fruits and Veggies need to be dropped off at the school directly.

**CEMETERY CROSS & CORPUS**

If you have been out to the St. Peter's Cemetery since last summer, you may have noticed that the cross and corpus have been taken down from the altar. Both pieces have been cracking and crumbling for many years, however, they are no longer "fixable". So, to prevent any injuries, they were taken down.

A big thank you to Tom Busha for researching a replacement for us. However, due to a decrease in sales of cemetery plots, the cemetery does not have the funds to cover the cost of the cross and corpus.

Material costs are \$12,810. Installation costs are \$8,000 (unless someone is willing to help us out) and freight to Eagle River from Chicago Customs is \$480. Total estimated replacement is \$21,290.
