Reflection

“The law of Your mouth is to me more precious than thousands of gold and silver pieces,” says the Psalmist today. Does the amount of my offering suggest that I could honestly say the same?

Formation Question

Adult: What would you be willing to “sell,” or do without, in order to achieve your dreams for yourself or your family?

Child: What good thing do you want so much that you would give up something else to get it?

FROM FR. RON

There is a reason the old adage “life isn’t fair” is overused. The fact is that this pithy saying is true. The world often feels more random than fair. Sometimes good people seem to be rewarded. Just as often, though, there seems to be no rhyme or reason behind who succeeds or fails.

In today’s Gospel, Jesus relies on simplistic analogies to help our understanding. Humans gravitate towards wealth, so he compares God’s kingdom to a fortune waiting to be found in a field or a pearl of immeasurable value.

His final depiction, as foreign as it may be to anyone who doesn’t work in the fishing industry, is perhaps the most powerful. We can picture the profitable fish being separated from the muck and imagine what it will be like when good and evil are literally partitioned from each other in our world. Victims no longer tormented by vicious perpetrators; the vulnerable no longer attacked by violent predators; the kindhearted no longer manipulated by the spiteful. Instead, all people will answer for their actions.

It is perhaps the greatest of all images Jesus gives us of God’s kingdom. Perfect justice distributed to all peoples. In God’s kingdom – unlike our world – no one will be the victim of random actions; rather, moral integrity and personal prosperity will always be the rule.

When Donating to the Thrift or Annex:

Thank you so much for thinking of us when you have items to donate. We truly appreciate your thoughtfulness. Although, please keep in mind, that if you wouldn't buy it, please don't donate it. We have many items that end up in the trash. We are unable to fix items to ready them for sale, or wash/clean stains out of clothing. Thank you for your consideration.

Our Diocese of Superior Vocations Office recently launched their Called North website to promote a culture of Vocations in our Diocese that will foster any discerning men and their families by understanding the process on a familiar level.

The Office of Vocations hosts several events throughout the year, including St. Andrew dinners, Come & See weekends at the seminary and they also promote the High School Discipleship weekends that the Office of Catholic Formation offers and meet individually with discerning men and their parents by request. All of these Diocesan events appear on the calendar on the Called North website, which is: www.callednorth.org

NEW MISSALS

With the beginning of Advent comes the start of the new Liturgical Year. It also means new missals. This year we have decided to switch over to **3-year cycle missals**. This means that the new missals won't have to be changed every year. These are more expensive, but will only have to be replaced when they get worn.

If you are interested in "donating" a missal, a sticker will be put in the inside-front cover of the book stating that "This book was generously donated by ...". The cost per book comes to approximately \$21. If this is something you would be interested in doing, please send in your "purchase price" with a memo stating Missal Contribution. A sticker will be printed for every missal you "purchase". Then you can play musical chairs in church to find your book!

Volunteer Opportunities

St. Albert, St. Mary and St. Peter are looking for some volunteers in several areas of service for the church community. If you would be interested in learning more please contact Fr. Ron or the parish office.

We are always seeking to increase our volunteer lists so please feel free to contact the parish office to learn how your skills could be utilized!

The Food 4 Kids Backpack Program

is still running throughout our quarantine. The school has been essential in providing meals to our youth in their time of need, but the programs need consistent help. They even need extra help right now because meals are being provided twice a day, rather than just on the weekends. If you are able, please consider donating to the Food 4 Kids Backpack Program or FORK Program. Whether you are able to make a cash contribution or food, all help is greatly appreciated. If donating food, most needed items are:

- ◆ Individual Serving Size Meals
 - ◆ Popcorn
 - ◆ Granola Bars
 - ◆ Fruits and Veggies need to be dropped off at the school directly.

CEMETERY CROSS & CORPUS

If you have been out to the St. Peter's Cemetery since last summer, you may have noticed that the cross and corpus have been taken down from the altar. Both pieces have been cracking and crumbling for many years, however, they are no longer "fixable". So, to prevent any injuries, they were taken down.

A big thank you to Tom Busha for researching a replacement for us. However, due to a decrease in sales of cemetery plots, the cemetery does not have the funds to cover the cost of the cross and corpus.

Material costs are \$12,810. Installation costs are \$8,000 (unless someone is willing to help us out) and freight to Eagle River from Chicago Customs is \$480. Total estimated replacement is \$21,290.
