**Reflection** In today's readings, St. Paul exhorts the Romans to *total* stewardship. Brothers and sisters, he urges, "...offer your bodies as a living sacrifice, holy and pleasing to God."

**Formation Question** Adult: In what concrete ways do you take up your cross and follow Jesus?

Child: When has it been difficult to be a follower of Jesus?

## FROM DEACON RICK

"Whoever wishes to come after me must deny himself, take up his cross, and follow me." Crosses! They've become a benign part of our life. We wear them as jewelry around our necks, on our lapels. Tattoos of various kinds of crosses can be seen adorning the human body. They hang on our walls, they hang from our rear-view mirrors. They have become ubiquitous . . . and often heavily sanitized of their origins through our domestication of them. So the words we read today don't have the same sting, don't evoke the same reaction as they likely did when they were written. The evangelist Matthew had a reason for this episode in his gospel, because the people of his time were being persecuted, even enduring crucifixion. Matthew wanted his community to know that this was part and parcel of what they signed on for.

If I were a betting man, I'd wager on none of us literally having to take up the cross. And yet, the words "take up his cross and follow me" are spoken directly to each one of us. Our crosses may be different, but our reaction, if we consider ourselves disciples, is to embrace them, to accept them. We are to be examples to others in how we live out our discipleship.

On a personal note, when you read this, I will officially have retired as Pastoral Associate, my paid position at St. Peter's. It's been just short of eight years that I have had the blessing and privilege of serving you in that role and as your deacon. While I won't be in the office on a daily basis any longer, I will continue to serve the parish as deacon. Kathy and I have no plans to go anywhere. I hope and pray, like the first rule of camping, that in my time here I've left the place a little better off than when I got here. I do want you to remember a couple of things. Changes have come to this part of the diocese. We are now part of a 5 parish cluster. Staff roles and relationships are changing, and there will likely be increasing levels of cooperation among the parishes and parish staffs. Be flexible and patient as these new roles and relationships "shake out." And finally, learn to be comfortable with change. If I were a betting man, I'd say there will be more to come. Shalom!

Nothing great in the world has been accomplished without passion. -Georg Friedrich Hegel, philosopher (1770-1831)

**Faith Formation Parent Meeting**

Sunday, August 30, 2 pm at St. Peter's Church

Come find out more about both our At-Home and On-the-Ground Tracks for this year's Faith Formation!

**Know a child that would like to be involved in our Faith Formation program?**

Have their parent/guardian contact Jen Metzger to get registered.

Next weekend there will be a second collection at St. Peter's for the CSA. If you have not received an envelope, there are extras in the back of church. Please take one and return it next weekend.

The 2020-21 Catholic Services Appeal will be held this weekend (August 22-23) in our parishes. The Appeal is an opportunity for us, as a faith family, to join together to do the work of the Lord. All families are encouraged to support the Catholic Services Appeal. By giving to the Catholic Services Appeal, you are answering God's call to discipleship to put the work of God before your own needs. The Church serves each of us in some way and our financial support is needed to continue God's work in our area. In addition, every dollar contributed to the Appeal assists our parish in offsetting our yearly diocesan assessment responsibility to our Diocesan Church. This year, our parishes goals are:

- St. Albert \$15,152.00**
- St. Mary \$12,975.00**
- St. Peter \$45,821.00**

**Where does the Appeal Money Go?**

When you contribute to the CSA you help families, young adults, senior citizens, students, and the entire parish:

- to sponsor multiple programs for youth and lay ministry,
- to advocate in many ways for the protection of life in our society,
- to care for the handicapped, elderly and less fortunate,
- to encourage candidates for the priesthood, and befriend seminarians,
- to enable seminarians, deacons and lay leaders to complete their education,
- to help parishes receive assistance in seeking grants for many ministries and building projects,
- to provide faith support for college students in the Newman Centers on college campuses,
- to provide for the education of children and youth in our Religious Education and our Catholic School Systems,
- to provide parish assistance in administration, management, and fundraising.
- to help married couples strengthen their bonds.
- to help congregations so that they can experience new vitality in their worship. And so very much more.

**CEMETERY CROSS & CORPUS**

If you have been out to the St. Peter's Cemetery since last summer, you may have noticed that the cross and corpus have been taken down from the altar. Both pieces have been cracking and crumbling for many years, however, they are no longer "fixable". So, to prevent any injuries, they were taken down.

A big thank you to Tom Busha for researching a replacement for us. Material costs are \$12,810. Installation costs are \$8,000 (unless someone is willing to help us out) and freight to Eagle River from Chicago Customs is \$480. Total estimated replacement is \$21,290.

COVID-19 guidelines prevent us from sharing items like we are used to. Because of this, we have taken on some added expenses.

Please consider sponsoring a student to help us defer the cost.

We also are bringing back the NET team to facilitate our High School Retreat. It is our tradition to offer this at no cost to our families.

Please consider donating toward this cost to help keep the retreat experience free for our families.

**NEW MISSALS**

With the beginning of Advent comes the start of the new Liturgical Year. It also means new missals. This year we have decided to switch over to **3-year cycle missals**. This means that the new missals won't have to be changed every year. These are more expensive, but will only have to be replaced when they get worn.

If you are interested in "donating" a missal, a sticker will be put in the inside-front cover of the book stating that "This book was generously donated by ...". Our total cost of all books, accompaniments and shipping total \$12,600. The cost per book comes to approximately \$21. If this is something you would be interested in doing, please send in your "purchase price" with a memo stating Missal Contribution. A sticker will be printed for every missal you "purchase". Then you can play musical chairs in church to find your book!

**THIS YEAR'S MISSALS**

If you are interested in having a current missal to take home with you, they are available in the gathering space. Donations are accepted, but not required. We are, however, **required** to recycle them at the end of the liturgical season.

*Volunteer Opportunities*

St. Albert, St. Mary and St. Peter are looking for some volunteers in several areas of service for the church community. If you would be interested in learning more please contact Fr. Ron or the parish office.

*We are always seeking to increase our volunteer lists so please feel free to contact the parish office to learn how your skills could be utilized!*

**PILGRIMAGE POSTPONED!**

The Pilgrimage to the Holy Land with Fr. Ron has been postponed until **April 19-30, 2021**. If you are interested in joining us in the spring, please contact the office for a new informational packet.
