Group Tours

The Battle of Great Bridge, December 9, 1775, played a critical role in the Revolutionary War and the subsequent creation of our great nation. It was this patriot victory that forced Lord Dunmore, British Royal Governor of Virginia, and his soldiers to evacuate and ultimately leave Virginia. As a direct result of this victory, four days after this crucial battle, The Virginia Convention adopted the first public declaration expressing a spirit of independence. How different our country might be, had it not been for the Battle of Great Bridge and the significant contributions of our waterways.
