

**San Francisco African American Chamber of Commerce
Cordially Invites you to attend**

The 38th Annual International Fair of Havana, or FIHAV, is held in Havana, Cuba, November 14-18, 2022. FIHAV is the most important general commercial trade fair in Cuba and the Caribbean. Established in 1983, FIHAV is an excellent business platform for new companies in the market, and for those already established. As the largest island country in the Caribbean, the Republic of Cuba is considered the “gateway to the Caribbean and South America”. Cuba offers exporters the opportunity to establish connections with importers and businesses from various countries in Latin and Central America.
