

trupanion™

Medical insurance for the life of your pet.

Trupanion is the most pet-focused insurance policy in the world.

There's pet insurance—then there's Trupanion. Here is why we are the best:

No more waiting on reimbursements

We are the **ONLY** company that can pay your veterinarian directly at the time of checkout. Often in as little as five seconds.

One great plan > a few okay plans

Unlike many competitors who offer lower rates, we cover **90%** of eligible costs on new, unexpected illnesses and injuries—including breed-specific conditions. Because we have your pet's best interest at heart.

We don't punish unlucky pets... or their people

No payout limits. Ever. We will never raise a member's prices because their pet gets sick or needs care.

Per-condition deductibles help owners pay less

Most pets suffer from 1-3 chronic conditions, including allergies.¹ Why should owners pay the same deductible for the same condition year after year?

Most pet owners can budget for wellness care

Routine wellness care is something that can be budgeted for and plans offered directly through veterinarians tend to provide a better value.

WE KNOW TRUPANION-INSURED PETS LIVE LONGER, HAPPIER LIVES.²
