SIMULATOR + LAUNCH MONITOR

SC4

Product Features and Functions Unique to Swing Caddie

The Below Highlights the Unique to Our Product Revolutionary Features and Functions.

01 Full Simulator Suite + Launch Monitor

- Bluetooth Simulator App Integration (IOS, Android)
- Play Photorealistic courses with available E6 Connect (Subscription required)
- Simulator Driving Range Included

V MySwingCaddie App

02 Portable or In Studio Design

- Only Simulator & Professional Grade Launch Monitor for the Price
- Can be set up simply with a net & monitor or in a comprehensive in-home studio enclosure

03 Complete Launch Metrics

- All of the data from the SC300i plus new Launch Direction data
- Voice Distance Output
- Instant feedback on built-in screen

PROFESSIONAL GRADE LAUNCH MONITOR

SC300i

Key Product Features and Functions

The Below Highlights Our Product Revolutionary Features and Functions.

01 Professional Grade Launch Monitor

- Indoor & Outdoor Compatible
- Enhanced accuracy combining latest Doppler Radar Technology with calibrating atmospheric pressure sensors

02 Use as Stand Alone Unit or with App

- Competitor products require a smart phone which can overheat in the sun
- Fine tune your practice session with in depth shot data analysis & video overlay

03 Provides Complete Launch Metrics

- Voice output for distance after every shot
- Provides instant feedback with all data visible on built-in screen

MySwingCaddie App

PORTABLE LAUNCH MONITOR

SC200 PLUS+

Key Product Features and Functions

The Below Highlights Our Product Revolutionary Features and Functions.

01 Fully Portable, Stand Alone Launch Monitor

- Precise Doppler Radar generated data
- Easy Setup & Use
- Sets up 5 feet behind ball position

03 Swing Speed Measurement Mode

- Measures your swingspeed without hitting a ball
- Maximizes training and analysis

02 Launch Metrics with Distance Voice Output

- Distance Voice Output
- Instant feedback and data on built-in screen

HYBRID GPS LASER RANGEFINDER

SL3

Product Features and Functions Unique to Voice Caddie

The Below Highlights the Unique to Our Product Revolutionary Features and Functions.

01 Dynamic Green Undulation and Full Course Layout View

- Fine tune your approach shots
- Preview the course before you play

02 Pin Tracer™ with True Active Hybrid and GPS Pin Assist

- GPS filters background to allow pin capture even when not visible

03 Two Color OLED and LCD Touch Screen

- Best in class optics, lightning fast visuals & scanning
- Optimized for low light play

PHENOMENAL PERFORMANCE

TL1

Key Product Features and Functions

The Below Highlights Our Product Revolutionary Features and Functions.

01 Pin Tracer™ Technology with Vibration & Visual Indicator

- Fastest, most accurate pin & flag targeting

02 Integrated Magnetic Mount

- Extra convenient portability
- Can be secured to metal surfaces in golf carts.

03 Dual Color LED Display

- 2 Color OLED for Optimal Visualization
- Ideal for Low Light Play

04 Water Resistance

- Optimized durability for all weather conditions.
