## Oktoberfest Artist/Vendor Application

**Attendance:** Last year, we estimate nearly 10,000 attended the event with peak attendance in the evenings. The local newspaper went as far as to estimate 13,000!

The Artist or vendor must be the originator of the items sold in the booth. Commercially reproduced works are not permitted. If you are accepted into the show and you display/sell any items that are not handcrafted by the exhibitor, the artist will be asked to remove the items from their booth.

All Items must be clearly marked with the retail price.

**Security will be provided overnight.** If you close early on Friday or Saturday night please secure your items. Our volunteers will be working the event and cannot provide security for booths that are closed.

Parking is available throughout the downtown. There is absolutely **NO parking** at your booth space.

Booths are **approximately** a 12'x12' space. Since we are setting up on the street, there may be slight variations of the space. Display furnishings (tents, tables, chairs) must be provided by the artist.

The use of amplified public address systems, stereos/radios are prohibited.
