KSSD TRUST INTRODUCTION

The KSSD Public Charitable & Welfare Trust, established in 2022, is a nonprofit organization dedicated to empowering underprivileged children through comprehensive quality education and healthcare. Inspired by the story of a remarkable girl who nearly discontinued her education due to lack of family support, the Trust is committed to enhancing education, skill training, health, digital literacy, teacher training, career guidance & mentoring, and special support for girls' education ensuring they can lead independent and dignified lives.

Since its inception, KSSD Trust has empowered over 1200 underprivileged children through these initiatives. Kanhaiya Singh Shikshan Kendra (KSSK) and Sugeshwari Devi Evening School provide education up to class 10th, focusing on digital skill-building, teacher training, scholarships, career guidance, and mentoring. Special support for female students is a priority, complemented by comprehensive health checkups and stringent hygiene and safety standards. Our mission is to create a nurturing environment that ensures holistic development and equitable opportunities for all children.

Mission:

KSSD Trust aims to provide quality education to 1,00,000 children by 2040 in India with a special focus on the state of Bihar.

Vision:

KSSD Trust envisions enabling quality education and health for the underprivileged children.

Target Group:

KSSD Trust focuses on students from class 1 to class 10. We believe that every citizen in the country needs quality education at least until class 10 to be employed meaningfully and achieve their full potential in any field.

Area of Work:

Education, Skill training, Health, Wellness, Digital Literacy, Teacher Training, Career guidance & mentoring

Award:

- Best NGO Award in January 2024 from the National NGO Federation of India.
- Innovation in Social Service Award in April 2024 from the Business Mint.

Key Achievements In The Last 3 Years:

Enabled quality education and health care services for more than 1200+ children, from grade Nursery-10th, in Siwan District of Bihar.

Positively impacted underprivileged children and their families. More than 80% of students are first-generation learners, and 65% of the students enrolled are girls.

Achieved high levels of learning with independent assessment by Education Initiative showing our students performing at par with the best CBSE schools in India.

Developed partnerships with corporate houses like Rams Venture Pvt Limited and Feeding India.

MODERN GURUKUL PROGRAM

Project Brief: Due to RTE act, students reaches up to 8th class without any assessment but more than 70% student in Govt schools, can't read grade 2nd textbooks. Hence 60%+ drop out is recorded after 5th or 8th class in schools.

Hence, we initiated the Gurukul program for children from Nursery to 10th grade, operating two education centers - **Kanhaiya Singh Shikshan Kendra(KSSK)** and **Sugeshwari Devi Coaching Center**, supported by 18 qualified teachers, all holding a minimum graduate degree. These dedicated teachers actively engage with the children, conducting daily tuition classes and fostering digital awareness. They also encourage talents in sports, culture, art, music, and yoga.

Furthermore, we are committed to providing essential items such as uniforms, school bags, hygiene kits, shoes, stationery, and sports kits to our students in various villages. To sustain the Gurukul centers, we rely on the generous support of sponsors who contribute to the salaries of our qualified teachers.

Primary Beneficiaries: Marginalized children of age 5 to 14 years

Secondary Beneficiaries: Parents & Govt School

Key outcomes: The program's key outcomes include over 60% female beneficiaries and 80% first-generation learners, achieving 100-150% higher marks than their peers in government schools, with a 70% higher attendance rate, complete exposure to digital learning, and full skill development for all Students.

Project Duration: Gurukul is an ongoing program in the rural areas.

SAKSHAM VIDYARTHI: BUILDING SKILLS FOR SUCCESS

Project Brief

The Saksham Vidyarthi program is an impactful initiative designed to elevate the skills and potential of students in Government schools. Spearheaded by the KSSD Trust, this program aims to provide a robust framework for academic and career success through an extensive and well-structured curriculum. By focusing on key areas such as STEM education, computer literacy, effective communication, and critical thinking, the program equips students with essential skills that are crucial for their personal and professional growth. The Saksham Vidyarthi program is committed to fostering an environment where students can thrive, develop leadership qualities, and prepare for future challenges.

Primary Beneficiaries

Schools & Students: The direct beneficiaries of improved infrastructure and educational resources, leading to a better learning experience.

Secondary Beneficiaries

Parents are indirect beneficiaries, as they gain advantages for their children when gaps in their education are effectively addressed.

Government Departments: Our initiative supports their efforts in improving public education by bridging the gap in resources and infrastructure.

Activities

- › **Student Career Guidance:** We provide career counseling and guidance to help students make informed decisions about their future.
- › **Computer Learning:** We provide access to computer labs to improve digital literacy and access to technology for students.
- › **English Learning Labs:** We establish language labs to enhance English language skills, thereby improving students' communication abilities.
- › **Sports Facilities:** We are developing sports infrastructure to promote physical fitness and team spirit among students.
- › **STEM Education:** Engaging students in Science, Technology, Engineering, and Mathematics through hands-on activities and experiments. This component aims to stimulate interest in these fields and develop problem-solving skills that are vital for future careers.

Key Outcomes

Increased Student Enrollment and Retention Rates: Through improved facilities and educational resources.

Enhanced Educational Facilities and Learning Environment: Leading to a more holistic development of students.

Improved Overall School Infrastructure: Creating a safer and more comfortable environment for learning.

Duration The Saksham Vidyarthi program is an ongoing initiative designed to support students in government schools in rural areas, addressing inefficiencies and enhancing educational outcomes.

DAILY FEEDING PROGRAM

Project Brief: The Daily Feeding Program at KSSD Trust is a cornerstone initiative dedicated to enhancing the health and academic performance of our students and staff. Recognizing the critical link between nutrition and educational success, this program aims to provide balanced, nutritious meals to foster a supportive and healthy learning environment. Through our partnership with Feeding India, we ensure that every member of our school community receives the essential nourishment they need to thrive, reinforcing our mission to empower underprivileged children with quality education and holistic development.

Objectives:

- **Nutrition Support:** Provide daily nutritious meals to all students and staff to promote health and academic performance.
- **Inclusivity:** Ensure that every member of the school community, including teaching staff, students, and working staff, has access to lunch and snacks.
- **Awareness:** Raise awareness about the importance of nutrition and its impact on learning and overall well-being.

Primary Beneficiaries: Marginalized children of age 5 to 14 years

Secondary Beneficiaries: Parents

Key outcomes:

- **Improved Health:** Enhanced physical health and well-being of students and staff.
- **Better Academic Performance:** Improved concentration and academic outcomes due to better nutrition.

HOLISTIC DEVELOPMENT ENVIRONMENT

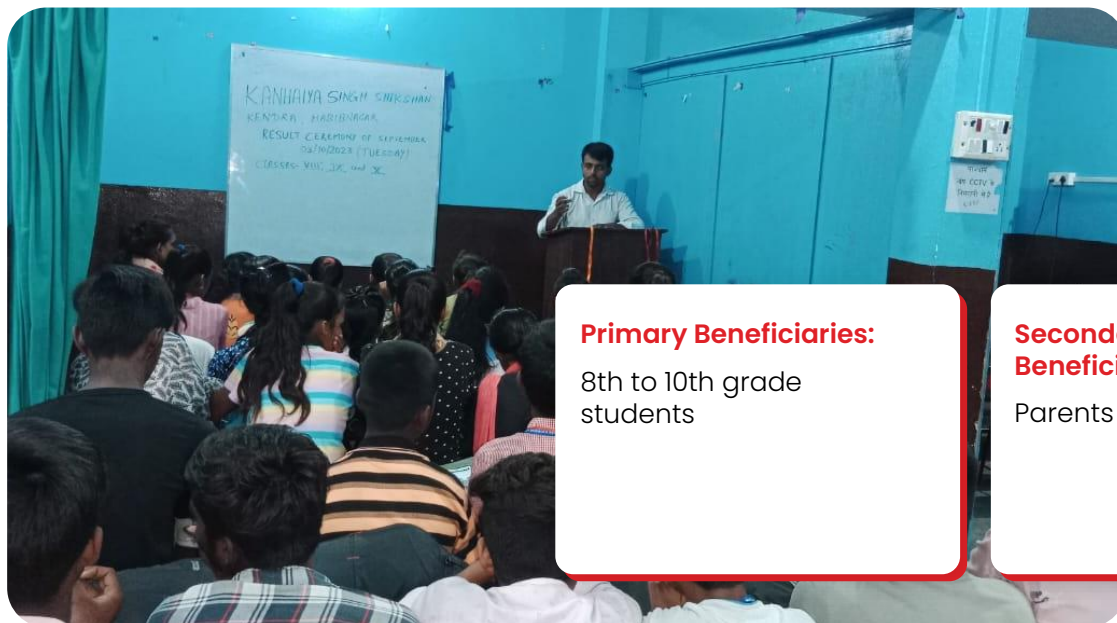

CAREER GUIDANCE & MENTORING

Project Brief: In our society, career planning is not considered as important as it should be. Many students make career choices based on the most popular options such as Engineering, Medicine, Police, Teaching, etc. Consequently, 1 in 3 students end up unhappy with the course they have chosen. To address this issue, we have developed a Career Guidance and Mentoring Program that focuses on showcasing charts detailing the 100 most popular career options. This initiative aims to raise awareness among students, teachers, and parents regarding the multitude of available career paths.

The key steps of our program include:

- › Pre- and post-assessments of career knowledge.
- › Displaying charts of the 100 careers on school walls.
- › Conducting career seminars in schools.
- › Providing students with a "Career Book" by Mr. Prashant Pal.
- › Offering personalized, one-to-one career guidance through dedicated career meetings.
- › Facilitating nominations for scholarships to support higher education.

Primary Beneficiaries:

8th to 10th grade students

Secondary Beneficiaries:

Parents & teachers

Key outcomes:

Provided career guidance to 200+ students of our education centers

Project Duration:

The trust also nominate underprivileged & meritorious students for scholarships based on the feedback from mentoring sessions.

SCHOLARSHIPS FOR HIGHER EDUCATION

Project Brief: Almost 60% of students get dropped out of school after 10th classes and one of the root cause is their families are not able to afford their higher education expenses. To solve this problem, we provide Scholarships for higher studies and for regular skill development courses to marginalized talented students who pass 10th class.

Under this program we also provide Career Guidance & mentoring to the Students so that they can get into a career which they really like. The yearly scholarship amount can go upto Rs.25000/- per students per year.

Primary Beneficiaries: Students who passed 10th class but not completed graduation.

Secondary Beneficiaries: Parents, School & Institutions.

Key outcomes: The KSSD Trust can offer scholarships to students each year who are pursuing higher studies as B.Tech, MBBS, B.Com, BBA, etc., with the support of sponsors. All students scoring 70% or above are eligible for the scholarship program.

Project Duration: The Scholarship is provided every year based on the quarterly performance report submitted by students.

Digital Harvest Program: Digital Employment Opportunities in Rural Areas

Project Brief: The Digital Harvest Program aims to address the critical need for digital literacy in rural areas, with a specific focus on enhancing employability opportunities. The project recognizes the transformative potential of digital skills in empowering individuals and communities, enabling them to access a wide range of employment options in the increasingly digitalized global economy.

Basic Certification Program in Computer Literacy (3 months)

This program covers the fundamentals of computing, typing, MS-DOS, MS-Windows, networking, MS Paint, MS Word, MS Excel, MS PowerPoint, and Internet & Email.

Advanced Certification Program in Computer Literacy (12 months)

The advanced program is divided into four modules, each covering a range of topics. In Module-1, students will learn about Operating Systems, IT fundamentals, typing, MS-DOS, MS-Windows, networking, multimedia, HTML, and hardware maintenance. Module-2 focuses on Office Package and Database skills, including MS-Word, MS-Excel, MS-PowerPoint, and MS-Access. Module-3 covers Accounting Package (CFA), including accounting information, accounts, GST, and project work. Finally, Module-4 delves into Desktop Publishing (DTP) skills, utilizing Adobe PageMaker, Adobe Photoshop CS6, and Corel Draw.

Key outcomes:

The KSSD Trust has trained over 500+ students to impart digital skills, building a foundation that will enhance their employability after completing the 10th grade.

Primary Beneficiaries:

Students

Secondary Beneficiaries:

Parents, School & Institutions.

Project Duration:

SAKSHAM SHIKSHAK PROGRAM: TRAINING THE TEACHERS OF TOMORROW

Project Brief: The Saksham Shikshak Program aims to tackle the critical need for teacher empowerment in India, where an alarming 80% of educators lack essential skills and awareness. The initiative adopts a strategic and multifaceted approach. Firstly, it prioritizes skillful teacher training to enhance pedagogical techniques and classroom management. Secondly, it endeavors to raise awareness about sexual harassment, considering the alarming statistics related to such incidents among students and teachers. Additionally, the program educates teachers about the Protection of Children from Sexual Offences (POCSO) Act. Thirdly, it focuses on developing a comprehensive code of conduct and policy framework to establish a secure and supportive learning environment. Finally, the program integrates Outcome-Based Education and Essential AI Tools for Teachers. Through this comprehensive approach, the Saksham Shikshak Program aims to significantly improve the educational landscape by addressing the pressing issues faced by teachers in India.

Primary Beneficiaries: Teachers

Secondary Beneficiaries: Parents, Students, School & Institutions.

Key outcomes: The KSSD Trust has trained over 100 teachers through the Saksham Shikshak Program, which includes enhanced pedagogical techniques and classroom management. The program also focuses on increasing awareness and education regarding sexual harassment and the POCSO Act. Furthermore, it aims to establish a secure learning environment through a comprehensive code of conduct and policy framework. Additionally, the integration of Outcome-Based Education and Essential AI Tools for Teachers is a key aspect of the program.

Project Duration: The KSSD Trust is organizing two days of Saksham Shikshak Program training every quarter at their education center.

Dear KSSK Team.

It was marvellous to be at your centre of learning. I was Overwhelmed by the reception. All the staff from principal to office staff, the management were wonderful in their devotion and dedication. The cordiality, their sincere effort in conducting a quality education programme is highly appreciable. I was immensely happy with the entire programme. The arrangement was excellent and I felt jubilant to be part of the function.

This is the kind of Learning Centre that the world needs. Here you find the real motive of free education with self development and equality that we all long for, surrounded by unspoiled nature. We hope in coming days there are some recreation and play activities for the students.

Our heartily congratulations to the management, principal and all the staff. We feel proud of being associated with the KSSK. Congratulations to all the students. We wish their sincere, dedicated service minded work to continue and grow further.
